VERSE

```
F#m                          E/G#          Asus   A   Asus   A
     When the mountains are all I see
F#m                       E/G#            Asus   A   Asus   A
     When the struggle is greater than me
                           Bm
     When the road is long
                              F#m
     And my strength grows weak
                 A                  E
     Jesus You're always there with me
```

CHORUS

```
                                    A
     Give me faith that doesn't break
                                   F#m
     Give me trust that doesn't move
                                 D
     I am holding on Your word
                                 E
     I am holding on Your truth
                            A
     I am holding onto You
