WJW-WJT STAR

Webster Jr. Warriors/Jr. Titans: Football and Cheer Start Here

June 20, 2013 Volume 1, Issue 4

A Message from our President

Hello and welcome to another exciting year of WJW-WJT Football and Cheer! We are rapidly approaching the 2013 season and practice, games, and competitions will be here before we know it. Many of you had the opportunity to participate in our first team activity of the season with our car wash and Uno's fundraiser taking place last weekend. It was a great turnout and an overwhelming success despite the lack of cooperation from Mother Nature. Thank you to everyone who was able to attend. The kids, coaches, and volunteers all had a great time and it was an excellent opportunity for the teams to begin to come together and get to know each other.

There are a lot of exciting activities to come including the Firemen's Parade and Team Picnics...please take the time to enjoy every opportunity with your child's team...these are memories that will last a lifetime.

Please continue to check the website for updates and, as always, feel free to reach out with any questions that you may have.

Go Webster!

Tom Widell

President, WJW-WJT

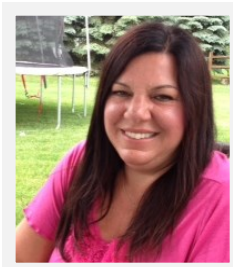
Meet our New B Team Cheer Coach



Joanne Roeder

As a Webster graduate and current resident, I have fully immersed myself in my community. I have been married to my husband Jim for 18 years and have 2 children, David age 11 and Stephanie age 9. I began my love of softball as a child and played softball, basketball and horseback riding through ninth grade, until I had to choose one sport. So, my love of horses pushed me in that direction, and I became a reserve champion in New York State when I was a senior in high school. I now encourage my kids to find passion in whatever endeavors they choose and to persevere to achieve their goals.

My son David is an avid baseball player, while my daughter Stephanie has loved cheering since she started in the WJW-WJT organization. This will be her 5th year. Along with coaching my daughter's softball team for the past 2 years, I'm looking forward to becoming the B team head coach. Being active in my children's lives has been such a blessing!
Thank you,
Joanne
