```
        Bm              D                           G
And I hear the Savior say,                  Thy strength indeed is small
Child of weakness watch and pray,Find in Me thine all in all

        Bm              D                           G
Lord now indeed I find                      Thy power and Thine alone
Can change the leper's spots                And melt the heart of stone

        Bm             D       G
        Jesus paid it all       All to Him I owe
        Bm             D                    F#m                 G
        Sin had left a crimson stain,  He washed it white as snow

        Bm              D                 G
And when before the throne I stand in Him complete
Jesus died my soul to save          My lips shall still repeat
