Seeing Our Neighbors Through the Eyes of Jesus

Matthew 9:35–38 and Matthew 28:18–20

Jesus calls us to see our neighbors with compassion, to pray that God will send workers into the harvest, and to go ourselves and make disciples.

1. **Jesus went to the people and served them.**
   Matthew 9:35

2. **Jesus saw the crowds and had compassion on them.**
   Matthew 9:36

3. **Jesus calls us to pray for workers and also commands us to go.**
   Matthew 9:37–38 and Matthew 28:18–20

Consider:

1. What does Jesus' teaching, preaching, and healing in Matthew 9:35 reveal about His ministry?
2. Why did Jesus have compassion on the crowds? What would change if we saw our neighbors the way He sees them?
3. How does Jesus' command to *go and make disciples* change the way we pray for workers in the harvest?
4. Who is one person or family you can pray for this week? What practical step can you take to reach out to them?
