He Is Able
To Make All Grace Abound ~ 2 Corinthians 9:6-11

Today we will look at how rich we are in terms of God's grace in its various forms.

1. First, there is Spiritual Grace

- This is where we need God's grace in our life the most.
- The riches of spiritual grace are seen in how _____ our debt to sin is, how _____ we are before the bar of Divine justice, and how _____ God is to forgive.
- It is this grace that has made God irresistible to people over the years.

2. Next, there is Daily Grace

- There are graces that come to us in the common everyday experiences of life.
- The best of these daily graces is _____ with us every day.

3. Finally, we are Blessed with Material Grace

- This lies at the heart of what Paul is writing about in this passage.
- Do you know how rich you are?
