November Mission Focus
Bethesda Mission

Your Giving Makes a Difference - The impact of Bethesda Mission is reflected in the many lives touched through its ministries each year. The Mission houses an average of 79 men and 29 women each night and, in the reporting year provided, served 136,951 meals, received 913 medical clinic visits, provided 1,308 dental clinic visits, and delivered 4,344 units of social service assistance. Behind every number is a person receiving care, encouragement, and an opportunity for a better future. As we conclude our November Mission Focus, we invite everyone to prayerfully consider a financial gift to help Bethesda continue this vital work. Together, we can share Christ's love with our neighbors through practical acts of compassion and support.
