# Conduct Guidelines and Permission Form
# WKBA Student Mission Trip

We believe we have an excellent group of students and therefore, do not expect any problems. However, we think it is necessary to list the following bounds of expectation so that we are all on the same page.

This is also a permission form to allow student to participate in the WKBA Mission Trip.

Please review these thoroughly with your student(s).

1. All students are expected to regard the adult sponsors with respect and instant submission to their authority.

2. NO tolerance of any profane expression, including verbal, hand gestures, clothing etc.

3. NO tolerance for any involvement with any form of tobacco, alcohol or drug (including any item of clothing that promotes such things.)

4. NO tolerance of "isolated pairing" and "intimate" contact between students, including hand holding.

5. We are expected to express a cooperative & genial attitude toward others on our Mission Trip.

6. Students will dress **modestly** at all times. <u>This includes swim wear. All swim wear must be appropriate and approved, or covered by a dark colored shirt with sleeves.</u> (i.e. no short shorts, shorts with words on rear, no cutoffs, no showing midriffs, we don't want to see your undergarments!, etc.)

7. Students' demeanor/conduct/attitude shall reflect Christian values and standards at all times. If there is any question regarding this expectation, ask one of the adult sponsors for clarification.

8. Participation in group times of devotion, Bible Study, etc., is mandatory for all students.

9. All students will be expected to treat one another with respect and dignity (i.e. no put-downs, cut-downs or general mean/hateful attitudes). Failure to treat another with respect as set out above will result in a "lesson **in humility and servant hood"** by verbalizing to their "victim" positive affirmations regarding that person's character and by serving that person's needs for one day as set out by the adult sponsors.

10. These guidelines are in effect and apply at all times. (This includes trainings, travel, etc.)

**Consequences for failure to abide by conduct guidelines will result in the following:**

**First offense:** Verbal warning advising offense committed and warning of additional consequences if conduct is continued and student will immediately paired up with an adult sponsor.

**Second offense:** Student will be immediately dismissed from the Mission Trip and a parent or guardian will be required to provide transportation home at their own cost and inconvenience.

We have read the above conduct guidelines and are willing to accept and submit to each of them.

**By signing this form, we give our student permission to participate in all Mission Trip activities.**
