# NIGHTCLUB ON WHEELS

Before you go

## Follow your confirmed itinerary

Your lounge check-in and vehicle pickup are different times. Follow the times and locations in your confirmed GXP itinerary. A standard Ghostbar start is 9 PM lounge check-in, 10 PM vehicle pickup, and 11 PM nightclub arrival. Coyote Ugly times depend on your booked option.

## Your private ride

The $99-per-person package includes one hour in a private party bus or Sprinter limo, a liquor store stop, Las Vegas Sign photos, mixers, ice, cups, napkins, straws, bottled water, and driver gratuity. It also includes your starting lounge and coordinated complimentary entry at a participating nightclub. Minimum four people. Extra vehicle time costs more.

## Bring your own alcohol

Alcohol is not included or supplied by GXP Tours. Bring alcohol purchased by your group, or purchase it directly at the liquor store stop after pickup. Everyone must be 21+ with valid government-issued photo ID.

## Be ready for pickup

Keep the phone on your reservation handy. Your driver will contact you with pickup instructions. Have everyone ready a few minutes early. Late arrival reduces your vehicle time. Locations can change because of construction or special events.

## Plan your transportation

Transportation to the starting lounge and return transportation after nightclub drop-off are not included. Your confirmed itinerary must show any agreed custom pickup or drop-off.

## Need help?

Message us through Batch, text **702-483-0463**, or email **info@gxptours.com**. Share this guide and your itinerary with everyone in your group.

# NIGHTCLUBS & GOOD TO KNOW

Choose a club that fits your date and arrival time.

## Confirm your nightclub

Participating options vary by date and can include On The Record, Marquee, TAO, Hakkasan, XS, Zouk, EBC at Night, Electric Mushroom, and Disco Pussy. Jewel is available only through November 21, 2026. Ask GXP to confirm eligibility for your exact date and start time. A DJ calendar listing does not confirm package eligibility.

## OMNIA and LIV need an earlier start

OMNIA and LIV require earlier arrival. The standard 11 PM nightclub arrival does not qualify. These clubs are excluded on major holiday weekends and major-headliner nights. Contact GXP before booking if either is your first choice. Paid tickets or VIP entry for excluded nights are separate.

## Entry and dress code

Complimentary coordinated entry is subject to venue policies, capacity, and event restrictions and is not guaranteed. If your requested club becomes unavailable, GXP will contact you with a comparable participating option. Bring valid government-issued photo ID and follow the dress code. View the GXP dress code guide.

## Vehicle and photos

Your private vehicle is assigned by confirmed group size and availability. Models may vary; large groups may use multiple vehicles. Groups of 17+ receive complimentary professional photo and video service, subject to availability. Accepting that package allows GXP to use the resulting media on its website and social media.

## Onboard rules

No smoking or food onboard. Guests who are too intoxicated, unruly, or do not follow venue dress codes may be denied participation or entry. The booking notes explain related charges and refund exclusions.

## Batch cancellation terms

Full refund on cancellations with 7+ days notice. No refund within the 7-day window. Review the final price, fees, options, and cancellation terms shown with your Batch reservation before paying.

Your confirmed reservation and GXP itinerary identify your selected option, times, locations, and any agreed changes. For questions, message GXP through Batch or text 702-483-0463.
