The Season of Giving

In the spirit of the Thanksgiving season, our Traditional residents came together, with the coordination of our Engagement Associate, Annmarie, to make 72 bagged lunches for individuals experiencing homelessness.

These meals were donated to the Samaritan Homeless Interim Program (SHIP), helping provide nourishment and support to those in need. Although not all participating residents are pictured, each person who contributed played a meaningful role in this wonderful act of kindness.

November reminds us that the season of giving is about more than just sharing a meal; it is about compassion, generosity, and recognizing the needs of others in our community.

At The Residence, we believe that kindness is one of the greatest gifts we can share.

May this season inspire us all to continue giving, serving, and spreading compassion throughout our community.

From the desk of Clare Sullivan:

Thanksgiving is the time to show our appreciation for the work of our dedicated associates by giving to the Annual Holiday Fund. Every donation makes a difference no matter the amount.

Thank you for helping to spreading holiday cheer!

Reminder: the deadline is December 4th.

The Season of Gratitude

November is a special time of year when we slow down, reflect on our blessings, and celebrate the importance of gratitude, kindness, and togetherness. At The Residence, we welcome the Thanksgiving season with warm hearts and a spirit of appreciation for the wonderful community we share.

Throughout the month, we are reminded of the many things that make The Residence special, from the smiles and laughter shared among residents to the dedication of our associates and the support of our families. Every day brings opportunities to create meaningful memories, strengthen connections, and show appreciation for one another.

As Thanksgiving approaches, we encourage everyone to embrace the spirit of giving by sharing a kind word, lending a helping hand, or simply taking a moment to express gratitude. It is often the smallest gestures that bring the greatest joy and make our community feel like home.
May this November be filled with warmth, happiness, good health, and countless reasons to be thankful.

From all of us at The Residence, we wish our residents, families, and staff a beautiful Thanksgiving season filled with love, peace, and cherished moments together!
