Shell Stitch Beanie

I said I would post a free patttern, so here it is. This is a pattern for the shell stitch beanie in my previous post. I LOVE this beanie because it stitches up quickly and adds a great texture to the average beanie. The pattern here is for a 0-3 months size and a child size (3-10 years), but I hope to add in the other sizes when I find a moment. Please let me know if something doesn't work up right. As always, I would love to see pics of final creations! If you whip one of these out, please email me a picture!

Many people have asked for assistance and help, and there IS a video tutorial available! Click here!

YES, FEEL FREE TO SELL ITEMS MADE FROM PATTERN! Please do not sell the pattern, but you are more than willing to sell what you make. Please give me the credit for the pattern. Thanks!
