ONE MORE SONG

```
G        Bm7    Am7      Am7/D
Oh, the beauty and the splendor
G      Bm7     Am7  Am7/D
From a song of full surrender
Em       Em7/D#   Asus    A   Am7
We could stay and sing forevermore
          Am7/D
'Cause we love to praise You, Lord
```

```
                  G        D/F#
So give us just one more song
Em      Bm7
One more song
C        Am7     Am7/D
One more song of praise
             G        D/F#
Give us just one more song
         A7
One more song
Am7      Am7/D   G    Bm7 Am7 Am7/D
One more song of praise
```
