by: Esther Rose Neal 2012

Verse:

```
                    D
With all of my heart
                      C2
With all of my strength
                   Am
I come to You now
                                G
And give You all of my worship
```

Pre-Chorus:

```
   C2                  Em
I pour my oil over You
   C2                          Em
I wash Your feet with my tears
         C2        G/B
And I bring a sacrifice
   C2          D          G/B
I bring a sacrifice of praise
(unto You)
        C2        G/B
Yes I bring a sacrifice
   C2         D            G
I bring a sacrifice of praise
```

Chorus:

```
        G          Em           C2
(For) You Are Worthy of it all

When You speak
   Em                       C2
Mountains are gonna' fall
        G      Em                C2
Your Glory shines above it all
     G
In Worship
      Em           C2
My heart will respond

                 C2      G/B
