### Mission & Description:

**Institution Mission Statement:** [www.aspen.edu/mission](http://www.aspen.edu/mission)

#### Areas of Special Focus:

Aspen offers certificate programs and associate, bachelor, master and doctoral degree programs in a broad range of areas, including business and organization management, education, nursing, information technology, and general studies. Aspen's student base is distinctive in terms of the for-profit education sector because it is comprised predominantly of graduate students and Aspen focuses its marketing efforts largely on students who wish to enroll in graduate-level programs.

All degree programs at Aspen University have been developed as a direct response to the needs of adult learners interested in achieving upward mobility and long-term economic success through superior education.

#### Description of Institution:

Aspen University ("Aspen") was founded in 1987 with a mission is to become an educational institution of choice for adult learners by offering cost-effective, comprehensive, and relevant online education. Aspen is dedicated to helping students achieve upward mobility and long-term economic success through superior education, financial prudence, and career advancement. Aspen's goal is to provide the highest quality education experiences taught by top-tier professors. Aspen believes higher education should be a catalyst to students' long-term economic success. As such, Aspen offers affordable tuition as one of the greatest values in online education
