

**Your Private Label License:**

**[www.CompleteStartups.com](http://www.CompleteStartups.com)**

## **What You Can Do:**

---

**YES** – You can edit the product however you wish, including adding your name as the signature author.

**YES** – You can use the graphic source files (psd) to modify the graphics, including colors, text, layers, and gradients or create additional graphic files for the same or other packages and products.

**YES** – You can give the report away to build your list or use as a back-end offer, bonus product or other offers.

**YES** - You can include the ebook as a bonus to a paid product.

**YES** – You can include the ebook or report in paid membership sites with personal use only.

**YES** – You include the ebook and report in website flips, sold with personal use only (you can not distribute the source/doc/psd files – just the completed product in PDF format)

## **What You Can't Do:**

---

**NO** – You can not sell Master Resell Rights to this package.

**NO-** You cannot sell these packages on the Warrior Forum either as individual packages or in any collections. (Their rules, not ours).

The Warrior Forum rules restrict WSO's to being product developed originally by you, and our rules restrict our packages from being featured there, even as free bonuses with original products.

(However, you can offer them as private bonuses or upsells that aren't visible from your WSO's salespage).

**NO** – You cannot sell resale rights to this package.

**NO** – You cannot sell private label rights to this package.

**NO** – You cannot distribute the source files for any element of this package.

**NO** – You cannot transfer your private label rights to anyone else.

**NO-** You cannot include these packages in dime sale events.
