Licensed  
Funeral Director  
And Embalmer

“Mr. Matt and his staff have served our family on several occasions and under different circumstances. He and his staff were sympathetic to our family and we will continue to call on him at our time of need, due to the quality level of his service. We were well cared for in all of our special needs and formal wishes for our loved ones. My grandmother was his second client when he opened his doors more than fifteen years ago. Since that time, he has been there for our family through the loss of a precious infant cousin, my dad, my mom, an aunt, an uncle and a special cousin, and a very close family friend just recently. I highly recommend Mr. Matt and his firm to be there for you and your family in your hour of need.”

## Dear Lord Please,

Give me the patience needed to serve everyone as my own;

The wisdom to understand other’s feelings; the knowledge to learn as well as instruct; the kindness to treat everyone equally at all times; the strength to endure long hours and hard work; the desire to serve others as I would my own family; the humility to accept words of thanks and praise; the compassion to be able to touch another’s soul; and the privilege to smile when I have served a family well; and , most importantly, the right to shed an honest tear when my heart is touched.

Lord, make me thankful that I am a Funeral Director. Dwayne E. Matt-Zion Hill Mortuary.
