**Evins Funeral Home** is a family business providing quality service and merchandise, because we are totally dependent upon our client families for prompt payment. Our payment terms are as follows:

**Advance Payment:**

The balance due for all funeral cost is payable at the time of the arrangement conference and prior to services rendered or delivery of merchandise. **Evidence of payment and agreement between all parties must be confirmed at the time of the arrangement conference.**

**Guaranteed Payments:**

**1) Pre-Paid Funeral Account:**

When a funeral account has been pre-paid with Evins Funeral Home or any other funeral home, the pre-paid amount will constitute a guaranteed payment upon receipt of the pre-paid policy. Any amount not yet paid into the pre-paid funeral account will be a balance due.

**1) Life Insurance:**

A life insurance policy in an amount sufficient to cover the balance due will constitute a guaranteed payment once the status of the policy has been confirmed with the life insurance company and an assignment form has been signed by any and all beneficiaries. There is an insurance assignment charge of 5.99% of assigned amount.

**Estate:**

Under circumstances where the estate of the decedent must stand the burden of paying funeral expenses, we ask that a member of the family pay funeral expenses and file their claim for reimbursement with the decedent's estate. In cases where we will assign an estate there is a fee.

**Payments:**

**Payment in full required at time of arrangement conference**

When monies are not readily available or guaranteed to us for funeral expenses, evidence of financing and payment must be given prior to the time of services. In all cases where total payment has not been received at the time of arrangements, a charge of 2.0% per month (24% per annum) of the unpaid balance due will be charged for each month or fraction thereof.

Note: We do not carry thirty (30) day accounts, however we do however offer special bank financing O.A.C ask for details.

***As a matter of policy and for security and privacy reasons, Evins Funeral Home can only receive monies for services from the contract signer who is the legal next of kin or power of attorney.***

**Cash Advances:**

Cash advances items (money sent to a third party on your behalf and for your convenience) are sometimes necessary to conduct a funeral service. These charges represent a cash outlay, without a profit being realized by **Evins Funeral Home**. Therefore, reimbursement for such advances is requested at the time of the arrangement conference.

The client family must mutually agree upon financial responsibility with **Evins Funeral Home** at the time of the arrangement conference and prior to services being rendered or merchandise delivered.

**We accept payment in ATM, Cash, Personal Check, Cashier check, Money Orders, Visa, MasterCard and Discover**
