Beading Techniques needed to complete the necklace:

Opening and Closing a Jump Ring

For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select Beading Techniques from the top navigation bar.

Instructions to complete “Pietra” necklace:

Tip

Four variations of this necklace are pictured. However, the supply list indicates materials to make only the variation in Crystal Golden Shadow. These necklaces are fun and easy to make, and they make an elegant statement! Make one in every color using the 14mm Rivoli sew-on stones.

Step 1

Using wire cutters, cut the sterling silver chain into two 9-inch lengths.

Step 2

Using chain nose pliers, open one 6.4mm sterling silver oval jump ring (see Opening and Closing a Jump Ring Technique). Use the jump ring to connect one hole on one Crystal Golden Shadow Rivoli sew-on stone to one end of one 9-inch length of chain. Close the jump ring.

Step 3

Open one 6.4mm jump ring. Use the jump ring to connect the hole on the other side of the Rivoli to one end of the second length of chain. Close the jump ring.

Step 4

Open one 5.5mm jump ring. Use the jump ring to connect the other end of one attached length of chain to the loop on one sterling silver swivel clasp. Close the jump ring.

Step 5

Open one 5.5mm jump ring. Place the other end chain link of the second length of chain onto the jump ring, and close the jump ring.
