Chain Nose Pliers
Stainless Steel Bead Stopper (TL1637)

**Beading Techniques needed to complete the bracelet:**

Crimping
Crimp Bead Covers
Opening and Closing a Jump Ring
Instructions to complete “Watermelon Tourmaline” bracelet:

Step 1
Place one crimp bead and the loop on the ring side of the toggle clasp onto a 9-inch length of beading wire. Pass the wire back through the crimp bead, and crimp the crimp bead (see Crimping Technique) and trim excess wire with wire cutters.

Step 2
String these beads in the following sequence onto the beading wire:
2 – 4mm Fuchsia bicone beads
2 – 4mm Rose bicone beads
2 – 4mm Light Rose bicone beads
2 – 4mm Light Topaz bicone beads
2 – 4mm Olivine bicone beads
2 – 4mm Indian Sapphire bicone beads
2 – 4mm Montana bicone beads
2 – 4mm Dark Indigo bicone beads

Repeat the sequence three times omitting the 2 – 4mm Dark Indigo bicone beads on the third sequence.

Step 3
Repeat Steps 1-2 twice. Use bead stoppers to secure the strands.

Step 4
Open one jump ring (see Opening and Closing a Jump Ring Technique). Attach the jump ring to the loop on the bar side of the toggle clasp. Close the jump ring.

Step 5
Remove the bead stoppers. Crimp the free ends of the beading wires to the loop on the bar side of the toggle clasp. Cover the crimps with crimp bead covers (see Crimp Bead Covers Technique).
