Instructions to complete “Beachy” necklace:

Step 1
For the first chain tassel component – Cut a 2 inch piece of chain. Open a 4.5mm Jump Ring and string on a Size 8 Semi-Glazed Opaque Lemongrass Round Japanese Seed Bead and one end of the 2 inch chain piece.

Repeat this step with the other four colors of seed beads.

Step 2
For the second chain tassel component – Cut a 1 inch piece of chain and a 1/2 inch piece of chain. Using the artistic wire, make a simple loop link with 3 of the Size 8 Semi-Glazed Opaque Lemongrass Round Japanese Seed Beads. Connect the two pieces of chain to either end of the simple loop link.

Repeat this step with the other four colors of seed beads.

Step 3
For the Third chain tassel component – Cut a 1 1/2 inch piece of chain and a 3 link piece of chain. Using the artistic wire, make a simple loop link with 3 of the Size 8 Semi-Glazed Opaque Lemongrass Round Japanese Seed Beads. Connect the two pieces of chain to either end of the simple loop link.

Repeat this step with the other four colors of seed beads.

Step 4
Using the Artistic Wire, make a large wire wrap link loop. On the first end, slide all fifteen pieces of the chain tassels you’ve made in steps 1-3 onto the first side of the link. We strung them up in this order and orientation –
