Beading Techniques needed to complete the necklace:

Simple Loop

Instructions to complete “Natural Point” necklace:

Step 1

Cut a 6-inch length of wire, make a simple loop (See Simple Loop Technique) on one end of the wire. String 11 seed beads and make a simple loop at the open end of the wire. Set the link aside.

Step 2

Repeat Step 1 to make a second link.

Step 3

Cut a 6-inch length of wire, make a simple loop on one end of the wire. String these beads in the following sequence onto the wire:

- 2 – Seed beads
- 3 – 4mm round gemstones
- 2 – Seed beads
- 1 – 4mm round gemstone

Make a simple loop at the open end of the wire. Set the link aside.

Step 4

Repeat Step 3 once to make a second link.

Step 5

Cut a 6-inch length of wire, make a simple loop on one end of the wire. String these beads in the following sequence onto the wire:

- 2 – Seed beads
- 1 – 4mm round gemstone
- 1 – Seed bead
- 2 – 4mm round gemstones
- 1 – Seed bead
- 1 – 4mm round gemstone

Make a simple loop at the open end of the wire. Set the link aside.

Step 6

Repeat Step 5 once to make a second link.

Step 7

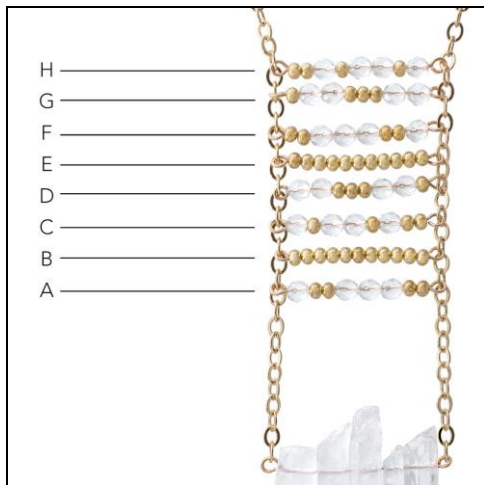

Cut a 6-inch length of wire, make a simple loop on one end of the wire. String these beads in the following sequence onto the wire:

- 2 – 4mm round gemstones
- 3 – Seed beads
- 2 – 4mm round gemstones
- 1 – Seed bead

Make a simple loop at the open end of the wire. Set the link aside.

Step 8

Repeat Step 7 once to make a second link.

Step 9

Referring to the diagram above. Counting from one end of the 42-inch chain length, attach one of the loops from link A to the 12th chain link. Attach the other loop to the 12th chain link counting from the opposite end of the 42-inch chain length.

Step 10

In the same manner as the previous step, attach the simple loop links to the specified chain links (counting from the end of the 42-inch chain length):

14th chain link attach link B

16th chain link attach link C

18th chain link attach link D

20th chain link attach link E

22th chain link attach link F

24th chain link attach link G

26th chain link attach link H

Step 11

Cut a 6-inch length of wire, make a simple loop on one end of the wire. String five crystal pendant points onto the wire and make a simple loop at the open end of the wire. Attach the link just made to the unattached end link of the 42-inch chain length.
