Instructions to complete “Band of Peeps” bracelet:

Step 1

Thread a needle with 5 feet of beading thread (add new thread as needed), leaving a 12-inch tail. Using flat peyote stitch (see Flat Peyote Stitch – Even Count Technique), weave the pattern by following the graph below from left to right.

Graph made with Beader's Canvas software (BK2597)

Step 2

When the bracelet reaches the desired length, weave the needle through beads until it exits the third bead on the last row. String four opaque rainbow white Delica beads, one Light Rose crystal round bead, and one opaque rainbow white Delica bead. Pass back through the crystal bead and the four Delica beads.

Step 3

Weave the needle through beads until it exits the 12th bead on the last row. In the same manner as in the previous step, string four opaque rainbow white Delica beads, one Aquamarine crystal round bead, and one opaque rainbow white Delica bead. Pass back through the crystal bead and the four Delica beads.

Step 4

Weave the needle through beads until it exits the 22nd bead on the last row. In the same manner as in the previous steps, string four opaque rainbow white Delica beads, one Light Topaz crystal round bead, and one opaque rainbow white Delica bead. Pass back through the crystal bead and the four Delica beads.

Step 5

Weave back down through a few rows, and use a Perfect End Thread Burner to burn the end of the thread (see Perfect End Thread Burner Technique).

Step 6

Thread a needle onto the tail you left behind at the other end of the bracelet, and weave through beads to the third bead in the first row (to align with the placement of the button attached in Step 2).

Step 7

String three opaque rainbow white Delica beads, one opaque luster hot pink Delica bead and 15 opaque rainbow white Delica beads. Pass back through the opaque luster hot pink bead, forming a loop. Reinforce this loop at least three times.

Step 8

Weave the needle through beads until it exits the 12th bead on the row. In the same manner as in Step 7, make a second loop to align with the button attached in Step 3, substituting one opaque luster sky blue Delica bead for the hot pink.

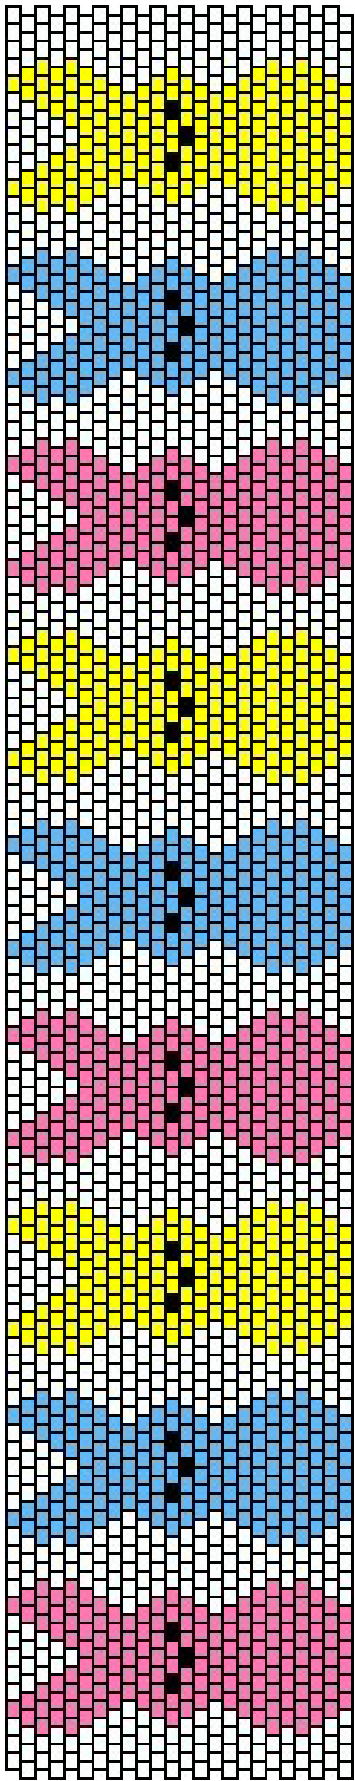

Step 9

Weave the needle through beads until it exits the 22nd bead on the row. In the same manner as in Step 7, make a third loop to align with the button attached in Step 4, substituting one opaque luster canary Delica bead for the hot pink.

Step 10

Weave back through a few rows of the bracelet, and use a thread burner to burn the end of the thread.
