Beading Techniques needed to complete the bracelet:

Opening and Closing a Jump Ring

For step-by-step photos and instructions on these and other techniques, visit FusionBeads.com and select Beading Techniques from the top navigation bar.

Instructions to complete “Love Mom” bracelet:

Step 1

Use a word processing application to print names onto the decorative paper. Each name should take up about a half-inch of space.

Step 2

Use a pencil to trace around one oval glass dome over each name. Use scissors or a craft knife to cut out the paper ovals.

Step 3

Using a small brush, spread a layer of Ultimate! Glue to the flat surface of one glass dome, and adhere one paper oval to the surface, right side facing the dome. Press the paper firmly against the glass to remove any bubbles. Allow the glue to dry.

Step 4

Repeat Step 3 with each of the remaining paper ovals.

Step 5

Spread Ultimate! Glue onto the flat surface of one glass dome, and place it into a collage bracelet link. Press firmly.

Step 6

Repeat Step 5 with each of the remaining glass domes.

Step 7

Open one jump ring (see Opening and Closing a Jump Ring Technique). Use the jump ring to attach the charm to the ring next to the bracelet clasp. Close the jump ring.
