## **Instructions to complete “Sedona Sunset” bracelet:**

**Note** - The pattern for this bracelet makes an 8 inch bracelet. If you need a longer or shorter bracelet, each diamond pattern repeat is about 1/2 inch, so add or subtract diamonds as needed to reach your desired length

### **Step 1**

Thread a needle with approximately 5 feet of beading thread. Stitch a bead ladder using bead **A** (we are creating a 2-row bead ladder). Begin by stringing 4 beads. Go back through all four beads. The four beads should be stacked two high. Go back up through the first two beads and go back down through the last two beads. (see Basic Herringbone Stitch Technique).

### **Step 2**

When the bracelet reaches the desired length, coming out the last bead on the end, string the thread through the bar clasp and back down through the second bead in the row to secure. Repeat until you reach the other end of the beadwork. Reinforce this work. Weave back down through a few rows, and trim excess thread.

### **Step 3**

Repeat Step 3 for the other end of the clasp and beadwoven length.

**Note** – The first two rows below are completed in Step 1 using ladder stitch.

### **Step 4**
