## **Instructions to complete “World Traveler” necklace:**

### **Step 1**

Using wire cutters, cut the beading wire into three 30-inch lengths.

### **Step 2**

Place one crimp bead and one side of the toggle clasp onto all three strands of beading wire. Pass the wires back through the crimp bead, and crimp the crimp bead (see Crimping Technique). Trim excess wire with wire cutters.

### **Step 3**

String these beads in the following sequence onto all three strands of beading wire:

3 – seed beads

1 – Dalmatian jasper bead

String these beads in the following sequence onto one strand of beading wire:

3 – seed beads

1 – amber horn bead

3 – seed beads

String 19 seed beads onto each of the second and third strands of beading wire. Wrap the second and third strands around the amber horn bead, one strand on each side, and bring all three strands together. String one Dalmatian jasper bead onto all three strands.

### **Step 4**

Repeat Step 3 14 times, making sure that the first stringing sequence remains on the same strand. String three final seed beads onto all three strands of beading wire.

### **Step 5**

String one crimp bead and the other side of the toggle clasp onto all three strands of beading wire. Pass the wires back through the crimp bead, crimp the crimp bead, and trim excess wire with wire cutters.
