Instructions to complete "Forever Green" necklace:

Step 1

Using wire cutters, cut the chain into two 7.5-inch lengths.

Step 2

String one crimp bead and one end link of one chain length onto a 4-inch length of beading wire. Pass the beading wire back through the crimp bead, and crimp the crimp bead (see Crimping Technique).

Step 3

Cover the crimp bead with a crimp bead cover (see Crimp Bead Covers Technique), and trim excess wire with wire cutters.

Step 4

String these beads in the following sequence onto the beading wire:

- 3 - 4mm Emerald bicone beads
- 3 - 4mm Fern Green bicone beads
- 3 - 4mm Peridot bicone beads
- 3 - 4mm Chrysolite bicone beads

Step 5

String one crimp bead and one end link of the second chain length onto the beading wire. Pass the wire back through the crimp bead, and crimp the crimp bead. Cover the crimp with a crimp bead cover, and trim excess wire with wire cutters.

Step 6

Open two jump rings (see Opening and Closing a Jump Ring Technique). Use one jump ring to attach the loop on the lobster claw to one end of the necklace. Attach the second jump ring to the other end of the necklace. Close both jump rings.
