### **Instructions to complete “Endless Love” necklace:**

#### **Step 1**

Using a 3-foot length of dead soft wire, cover one gold-filled flat circle component with 24 4mm Cream Rose Swarovski crystal pearls (see Covering a Component Technique using the **alternative** beginning at Step 24).

#### **Step 2**

Using chain nose pliers, open one 6mm gold-filled jump ring (see Opening and Closing a Jump Ring Technique). Place the jump ring around the covered component in the space between the first and last pearls on the component. Close the jump ring.

#### **Step 3**

Open one 3.3mm jump ring. Use the jump ring to connect one side of the gold vermeil toggle clasp to one end of the 18-inch length of gold-filled chain. Close the jump ring.

#### **Step 4**

Place the chain through the jump ring attached to the covered component in Step 2. Open one 3.3mm jump ring. Use the jump ring to connect the other side of the toggle clasp to the other end of the chain. Close the jump ring.
