Instructions to complete “Mother” bracelet:

Tip

This bracelet makes a wonderful gift for a mother or grandmother. Choose alphabet beads to spell out two children's names, one on each strand. If the names are shorter than the names used here, you can fill in the space with more crystals and spacers, following the same pattern.

Step 1

Place one crimp bead and one loop on one side of the tube bar clasp onto a 12-inch length of beading wire. Pass the wire back through the crimp bead, and crimp the crimp bead (see Crimping Technique). Trim excess wire with wire cutters.

Step 2

Cover the crimp bead with a crimp bead cover (see Crimp Bead Covers Technique), and trim excess wire with wire cutters.

Step 3

String these beads in the following sequence onto the beading wire:
