CLASS SIGN-UP BEGINS THURSDAY, APRIL 19 AT 10AM

Download our full class schedule online at www.FusionBeads.com/SpringClasses2012.pdf

REGISTRATION

You may register in the store or over the phone with a credit card.

Registration opens at 10am April 19, 2012.

Sign up for two or more classes and receive a 10% discount on both classes. This excludes guest instructors.

Payment must be received to guarantee a space in any class.

Fees do not include all materials.

You will receive a full supply list in the mail with a receipt for the class.

Each session listed is a separate class. Please choose the session that works for your schedule.

CANCELLATION POLICY

Five days' notice is required for a full refund or to reschedule your class. If canceling less than five days prior to class, a refund may be given if we can fill your spot from the waiting list.

A class may be canceled due to lack of sign-ups. If your class is canceled, we will notify you three days prior to the scheduled class.

DISCOUNT

You will receive a **10% discount** off all your purchases the day of the class. This discount excludes books, magazines, ounces and 1/2 ounces of wire, PMC and already discounted merchandise.

20% OFF EVERYTHING! JULY 12-15

EXCLUDES OUNCES AND 1/2 OUNCES OF WIRE, PMC AND ALREADY DISCOUNTED ITEMS

FREE IN-STORE DEMOS

Beading Around a Bead

Saturday, May 12

10am-11am and 3pm-4pm

Wrap seed beads around a larger bead, and you have an easy-to-make beaded bead with color and texture. Come to our free in-store demo of this fun technique.

Using Diamond Glaze with a Bezel

Saturday, July 28

10am-11am and 3pm-4pm

Encase your favorite image in a bezel pendant or charm with Diamond Glaze! Join us at our free demo on using this versatile, crystal-clear glazing product.

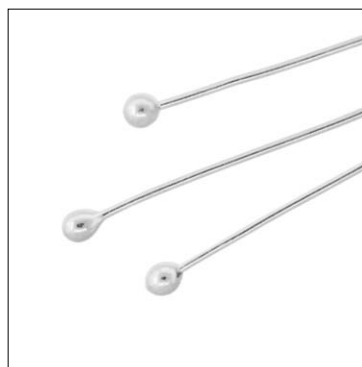

Brick Stitch on a Component

Saturday, June 9

10am-11am and 3pm-4pm

Give color and texture to a metal component with a few rows of brick stitch! Our free demo will show you how to bring wire and weaving together into an innovative jewelry element.

Making a Ball Head Pin

Saturday, August 18

10am-11am and 3pm-4pm

Using a butane torch and fine silver wire, we'll show you how easy it is to make your own head pins that will give your jewelry sophisticated finesse.

CLASSES

Register for a class while in the store or over the phone with a credit card.

Payment must be received to guarantee a space in any class. Fees do not include all materials.

You will receive a full supply list in the mail with a receipt for the class and receive 10% off most supplies the day of the class.

Each session listed is a separate class. Please choose the session that works for your schedule.

Sign up for two or more classes and receive a 10% discount on both classes. This excludes guest instructors.

Cancellation Policy: Five days' notice is required for a refund or to reschedule unless your spot can be filled from the waiting list.

Beginning Beaded Jewelry

Instructor: Glorianne Ljubich

\$25

Beginning beaders, start here! You'll learn about various findings and beads for making your own jewelry and the different tools used for beading. Learn how to make earrings, necklaces and bracelets using wire and Soft Flex beading wire.

Level: Beginning

Prerequisite: None

Session 1: Sun., May 13

10am-1pm **Session 3:** Thurs., July 19

6pm-9pm

Session 2: Wed., June 13

6pm-9pm **Session 4:** Thurs., August 16

6pm-9pm

Beginning Pearl Knotting

Instructor: Karen Lynch

\$25

Learn to knot beautiful necklaces reminiscent of your mother's pearl necklace. Then add a modern twist to this classic design to create a piece uniquely your own. This class will take you through the design and construction of a knotted bracelet using silk cord, freshwater pearls and semi-precious stones.

Level: Beginning

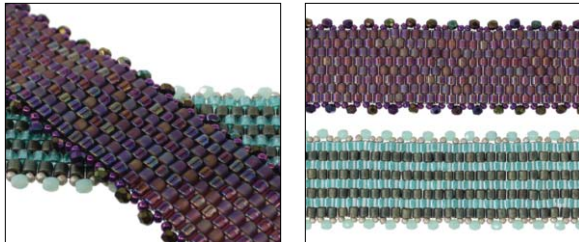

Prerequisite: None

Session 1: Tuesday, May 8

6pm-9pm

Session 2: Monday, July 23

6pm-9pm

Beginning Flat Peyote

Instructor: Glorianne Ljubich

\$25

Master the basic techniques of flat peyote, one of the most popular and versatile beadweaving stitches. Learn even- and odd-count peyote stitch, required for intermediate and advanced classes. Use cylinder beads to weave a beautiful bracelet or choker.

Level: Beginning

Prerequisite: None

Session 1: Sunday, May 13

2pm-5pm

Session 2: Wednesday, July 11

6pm-9pm

Beginning Right Angle Weave

Instructor: Karen Lynch

\$25

In this introduction to flat right angle weave, we will practice turning and changing rows while working on a right angle weave square. This square can be continued to make a gorgeous cuff on your own. The structural nature of this weave allows for lots of possibilities for necklaces, bracelets and pendants. One of the most popular stitches, right angle weave is an ideal stitch to start you on the road to beadweaving.

Level: Beginning

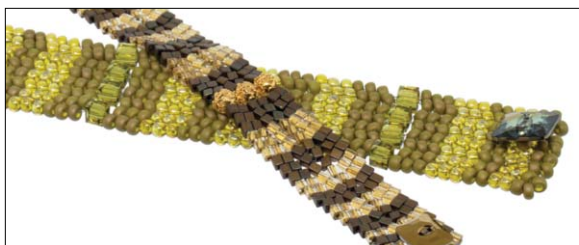

Prerequisite: None

Session 1: Tuesday, June 12

6pm-9pm

Session 2: Saturday, August 11

2pm-5pm

Beginning Flat Herringbone Stitch

Instructor: Tina Koyama

\$25

Learn the basics of the flat herringbone stitch, a supple beadweaving stitch that is the base for many variations and stunning jewelry designs. We'll begin an elegant bracelet, which you'll have the option to embellish with small crystals. Herringbone stitch is also known as Ndebele stitch, named after the South African tribe that originated it.

Level: Beginning

Prerequisite: None

Session 1: Thursday, May 24

6pm-9pm

Beginning Tubular Herringbone Stitch

Instructor: Tina Koyama

\$25

Tubular herringbone is a versatile base for many gorgeous jewelry designs you've seen in magazines. We'll begin an elegant bracelet, and you'll have the option to learn an embellishment technique to add sparkle and color. Herringbone stitch is also known as Ndebele stitch, named after the South African tribe that originated it.

Level: Beginning

Prerequisite: None

Session 1: Thursday, July 26

6pm-9pm

MACRAME & BEADWEAVING CLASSES

Bohemian Wrap Bracelet

Instructor: Sara Molina

\$25

Learn to weave this striking and iconic style of bracelet, even if you have no prior beadweaving experience. You'll leave inspired and ready to make bracelets to match every last outfit in your closet!

Level: Beginning

Prerequisite: None

Session 1: Wed., May 9

6pm-9pm **Session 3:** Mon., July 16

6pm-9pm

Session 2: Sat., June 23

10am-1pm **Session 4:** Thurs., August 23

6pm-9pm

Chain and Cord Bracelet Trio

Instructor: Sara Molina

\$25

Stackable friendship bracelets are the huge trend this year. Learn to make three completely original friendship bracelet styles made with cord and chain. Two of these fun and easy-to-make designs involve wrapping ball chain with cord, and the other is made by wrapping curb chain with contrasting cords. You'll leave this class with confidence, creative ideas and a whole wrist full of gorgeous, colorful bracelets!

Level: Beginning

Prerequisite: None

Session 1: Tuesday, May 22

6pm-9pm

Modern Beaded Macramé

Instructor: Sara Molina

\$25

Learn the basics of macramé jewelry, then take it to the next level by adding beads in a variety of ways to achieve a colorful, dynamic look. You can make a classic beaded macramé bracelet, or you can cover leather or metal with macramé to add texture to otherwise plain jewelry designs.

Level: Beginning

Prerequisite: None

Session 1: Saturday, June 23

2pm-5pm

Spiral Rope

Instructor: Tina Koyama

\$25

Spiral rope is an elegant, easy-to-learn stitch that can be embellished as little or as much as you like. In this class, we'll make a bracelet combining seed beads with your choice of crystals, fire polished beads, pearls or a mix of accent beads. Create your own variations with different patterns of beads. Spiral rope is an ideal introduction to seed beadweaving. Most students will finish the bracelet in class.

Level: Beginning

Prerequisite: None

Session 1: Thursday, August 2

6pm-9pm

Anemone Bracelet

Instructor: Tina Koyama

\$25

Make a bracelet that is as fun, frilly, elegant or eclectic as you choose! A strong core of beading wire forms the base. Then use a needle and thread to weave in your choice of fringe beads, creating an impressive, eye-catching bracelet with layers of texture and color. The best part? Not only is it easy, it's fast – you'll finish the bracelet in class.

Level: Beginning

Prerequisite: None

Session 1: Thursday, August 16

6pm-9pm

Knight's Garden*

Instructor: Sheri Caruso

\$25

Have you been looking for a way to include seed beads and metal into the same project? This class does just that. Begin by using a two-drop peyote stitch, which works up quickly. Then embellish the base with Arte Metal by Vintaj, gorgeous crystals and crown heishi beads to create the Knight's Garden.

Level: Intermediate

Prerequisite: Knowledge of at least one beadweaving stitch.

Session 1: Saturday, June 23

10am-1pm

Dutch Bangle

Instructor: Sheri Caruso

\$25

Learn how to weave Dutch spiral by making this chunky flexible bracelet using seed beads and drops. It's fun to mix matte beads with shiny to get a more dimensional look.

Level: Beginning

Prerequisite: None

Session 1: Sunday, August 19

10am-1pm

BEADWEAVING CLASSES

new

Primavera*

Instructor: Glorianne Ljubich

\$45

Learn to bezel around sparkly crystal chatons. Use a variety of seed beads, including the new peanut-shaped seed beads, crystal bicones and fire polished beads to create these dazzling flower-like components. Weave them together using chain, and voila! You have a beautiful, fresh-looking necklace for all occasions.

Level: Intermediate

Prerequisite: Knowledge of flat peyote stitch.

Session 1: Sunday, June 3

11am-5pm

Session 2: Sunday, August 19

11am-5pm

La Traviata*

Instructor: Glorianne Ljubich

\$45

Make an entrance in this necklace, fashioned for the 21st century, while evoking the romance of the 18th century. While creating this piece, you will learn how to "set" beautiful crystal stones in beading foundation, and bezel around them. You will also learn bead embroidery and how to finish your piece with soft backing and brick stitch edging. A great class for the adventurous beader!

Level: Intermediate

Prerequisite: Knowledge of flat peyote stitch.

Session 1: Sunday, June 17

11am-5pm

Alexandra's Jewels*

Instructor: Glorianne Ljubich

\$45

Inspired by the fabulous Faberge eggs created for Russian royalty, these lovely beaded beads and pendant are sure to add a regal touch to your jewelry. Weave them using various sizes and shapes of beads with a variation of netting stitch. Complete a necklace using the beads and pendant you have created, strung with complementary beads.

Level: Intermediate

Prerequisite: Knowledge of at least one beadweaving stitch.

Session 1: Sunday, July 8

11am-5pm

Moonlight Sonata*

Instructor: Glorianne Ljubich

\$45

Using a beautiful, chain-like stitch, weave a sparkling cuff using bugle beads and seed beads, embellished with a stunning array of crystals and true-cut seed beads. Learn a new version of spiral stitch and a creative method of embellishment while you create a professional-looking and romantic bracelet you will want to wear everywhere.

Level: Intermediate

Prerequisite: Knowledge of at least one beadweaving stitch.

Session 1: Sunday, July 22

11am-5pm

Silver Screen*

Instructor: Glorianne Ljubich

\$45

Evoking 1930's Hollywood glamour, this necklace makes an elegant statement. The pendant is composed of two parts, which you will learn to make in class, using tubular peyote and tubular herringbone stitches. Use beautiful crystal baguettes and bicones, Delicas and seed beads to weave these components, and then finish the spiralled herringbone necklace later with the written instructions.

Level: Intermediate

Prerequisite: Knowledge peyote and herringbone stitches.

Session 1: Sunday, August 5

11am-5pm

Cellini Triangle Pendant*

Instructor: Pamm Horbit

\$45

Technique! Technique! Technique! You've mastered the Peyote Triangle and the Cellini Spiral! Now what? Learn how to combine these popular techniques into a lovely pendant. Hang your finished pendant on the chain you'll learn to make in class, or your choice of any other.

Level: Advanced

Prerequisite: Proficiency with peyote triangles a must.

Session 1: Sunday, June 24

11am-5pm

Session 2: Saturday, August 25

11am-5pm

Great Grandmother's Ring*

Instructor: Pamm Horbit

\$45

In Great Grandmother's day, life was simple, and jewelry was beautiful and meaningful. Using Delicas, seed beads and a few Swarovski crystals, you will recreate Great Grandmother's ring. Simple yet elegant, this ring is perfect for any occasion and makes a great conversation starter!

Level: Intermediate

Prerequisite: Knowledge of flat peyote stitch helpful.

Session 1: Sunday, July 15

11am-5pm

BEADWEAVING CLASSES

Caged Crystals

Instructor: Melissa Loden

\$45

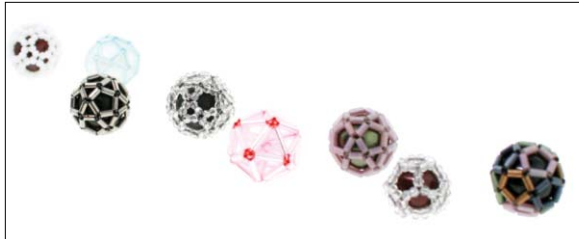

Learn how to create an elegant three-dimensional bracelet that sparkles from all angles! Using innovative stitching techniques, you will fashion a netted structure with bugle beads that encapsulates a row of Swarovski crystals the color of your choice. Versatility is the trick to this piece. Dress it down matte beads or add more luster--you choose your level of sparkle.

Level: Beginning

Prerequisite: None

Session 1: Friday, August 24

11am-5pm

Dodecas

Instructor: Melissa Loden

\$45

These fun beads are based on the "dodecahedron", a twelve sided geometric shape. We'll weave the dodeca pattern around 12mm beads with a variety of seed beads. These beads will make great zipper pulls or cell phone accessories. Make a couple for a pair of earrings or make a bunch for a bracelet or necklace.

Level: Beginning

Prerequisite: None

Session 1: Saturday, August 25

11am-5pm

Boxed Gems*

Instructor: Melissa Loden

\$45

Take your right angle weave to a new level. Using size 11° metal beads, you'll learn how to "box in" semi precious stones or crystals, then weave them together to create this "industrialesque" bracelet. The bracelet is complemented with a beaded boxed gem and toggle closure, which doubles as a unique centerpiece.

Level: Intermediate

Prerequisite: Knowledge of right angle weave.

Session 1: Sunday, August 26

11am-5pm

The Dazzling Links Bracelet*

Instructor: Daeng Weaver

\$45

This class is ideal for students who would love to explore more of tubular right angle weave. You'll make bow links, connecting links and closure links to become an elegant bracelet. You'll learn how to make the curve between tubular right angle weave stitches, and connect the links together. Gemstone or crystal embellishing will make this bracelet outstanding.

Level: Intermediate

Prerequisite: Knowledge of right angle weave and ladder stitch.

Session 1: Saturday, May 12

11am-5pm

Session 2: Sunday, August 12

11am-5pm

Angelique Earrings*

Instructor: Daeng Weaver

\$45

Complete these delightful and versatile earrings in one class session! Learn how to use circular peyote stitch with square, double-hole crystal beads. Add a front-hole drop crystal with unique woven connections and embellish with your choice of gemstones. This class is ideal for experienced students who want to explore working with different styles of crystals.

Level: Intermediate/Advanced

Prerequisite: Knowledge of circular peyote and ladder stitch.

Session 1: Saturday, June 2

11am-5pm

Les Trois Bracelet*

Instructor: Daeng Weaver

\$45

This striking, three-strand bracelet was designed using three simple elements combined with a unique closure as a focal point. Three-dimensional right angle weave makes up the three strands. Odd-count peyote stitch straps connect embellished strands to a circular peyote ring and peyote toggle. Your choice of embellishments will create your own distinctive look.

Level: Intermediate/Advanced

Prerequisite: Knowledge of right angle weave, odd-count & circular peyote.

Session 1: Sunday, June 10

11am-5pm

Two-Sided Chaton Crystal Earrings*

Instructor: Daeng Weaver

\$45

Create these beautiful double-sided earrings using circular peyote stitch. Select two colors of Chaton crystals for a different look on each side. Then embellish your earrings with small gemstones and small freshwater pearls for an elegant look.

Level: Intermediate

Prerequisite: Knowledge of circular peyote stitch.

Session 1: Sunday, July 29

11am-5pm

BEADWEAVING CLASSES

new

Cosmos Flower*

Instructor: Karen Lynch

\$45

Create a brilliant and memorable flower modeled after the Cosmos, one of the most striking in the summer garden. We will create the flower only, so you can make it into a necklace, a brooch, a hair accessory or anything you can imagine.

Level: Intermediate

Prerequisite: Knowledge of flat peyote and peyote bezel.

Session 1: Saturday, July 28

11am-5pm

Freeform Peyote Ruffles*

Instructor: Karen Williams

\$45

Create a beaded sculpture that you can wear! A variation on freeform peyote, we will focus specifically on ruffles. We will start by discussing potential color schemes and ways to move colors and textures through your piece to help integrate the design. You'll be able to complete a smaller project like a pair of earrings or pendant, or make a good start on a larger project such as a bracelet.

Level: Intermediate

Prerequisite: Knowledge of flat peyote stitch.

Session 1: Sunday, June 10

11am-5pm

Beaded Bezel*

Instructor: Karen Williams

\$45

Capture any relatively flat, cabochon-shaped object in a net of regular and random right angle weave with a decorative peyote stitch border. The captured cabochon can be worn as a brooch, used as a pendant or incorporated into more complex designs.

Level: Intermediate

Prerequisite: Knowledge of right angle weave.

Session 1: Sunday, August 12

11am-5pm

OPEN STUDIO

Open Studio

Instructor: Staff

\$10

Open Studio is a great opportunity to bead with your friends, share ideas and have fun. Bring a beading project to work on and a Fusion Beads staff member will be available to help you. Use our classroom and our tools, relax and shop at your leisure! Please, no torch or kiln work. Instructions for existing classes will not be provided. Bring refreshments if you wish.

Session 1: Wed., May 9

6pm-9pm

Session 2: Mon., June 18

6pm-9pm

Session 3: Tues., July 17

6pm-9pm

Session 4: Tues., August 28

6pm-9pm

PMC CLASSES

Basic PMC

Instructor: Virginia Causey

\$45

Learn the basic skills for working with Precious Metal Clay. Using a kiln, experience the wonderment of seeing the fired PMC become a solid piece of fine silver (.999). You will design charms, pendants and sliders that can be incorporated into jewelry and make several earring elements. This class will give you the technical skills to continue your adventure in creating jewelry with elements made of Precious Metal Clay. Approximate cost of materials needed: \$85.

Level: Beginning

Prerequisite: None

Session 1: Saturday, June 2

11am-5pm

PMC Rings*

Instructor: Virginia Causey

\$45

Build upon your basic Precious Metal Clay skills to create your own rings. Setting stones and using enamels and gold leaf will enhance the surface texture of the rings. Learn basic and embellishment techniques, make your pieces and then learn cleaning and finishing techniques. Approximate cost of materials needed: \$85.

Level: Intermediate

Prerequisite: Basic PMC

Session 1: Saturday, July 7

10am-5pm *there will be a 2 hour break in the middle*

FUSING & CHAINMAILLE CLASSES

Basic Fusing

Instructor: Allison Thompson

\$35

Learn the basics of making an open-link chain without soldering. Use fine silver and a butane torch to create necklaces, bracelets and earrings. You'll shape and pound rings to give your pieces an organic look. Approximate cost of materials needed: \$50.

Level: Beginning

Prerequisite: None

Session 1: Mon., May 14

6pm-9:30pm

Session 4: Wed., July 18

6pm-9:30pm

Session 2: Sat., June 16

10am-1:30pm

Session 5: Sat., August 11

10am-1:30pm

Session 3: Mon., June 25

6pm-9:30pm

Session 6: Thurs., August 23

6pm-9:30pm

Fused Elements*

Instructor: Samantha Slater

\$25

Now that you have mastered the basics of fusing, let's get creative and make organic, fused elements. Using two torches and fine silver, you'll learn to form unique and striking components and links for earrings, bracelets and necklaces. We'll also uncover the mysteries of oxidizing silver so that you can give your jewelry components an elegant, antique finish. Master the techniques, and then unleash your creativity - this class will give you time for both!

Level: Intermediate

Prerequisite: Basic Fusing

Session 1: Wednesday, August 1

6pm-9pm

Fused Rings*

Instructor: Janice Berkebile

\$25

Form, texture & hammer fused rings in a variety of ways to create a unique set of stack rings that speaks of you. You can never have too many!

Level: Beginning/Intermediate

Prerequisite: Basic Fusing helpful

Session 1: Friday, August 10

10am-1pm

Session 2: Friday, August 10

2pm-5pm

Captured Crystals

Instructor: Nora Olsen

\$25

Peanut butter and chocolate. Milk and cookies. Crystals and silver. Some things are made to go together. Learn how to create a sterling silver chainmaille bracelet filled with crystal, pearls or beads. The best part? No hidden wires! The weave forms a hollow tube that captures the beads and holds them tightly. All you see is sparkle!

Approximate cost of each piece when finished: \$85 for sterling silver and \$14 for copper.

Level: Beginning

Prerequisite: None

Session 1: Thursday, May 24

6pm-9pm

Full Persian Weave*

Instructor: Nora Olsen

\$25

This thick, round weave resembles rope, yet remains light and airy. You'll learn the weave in class, and we'll discuss ways you can incorporate beads and crystals to make your piece pop. Approximate cost of each piece when finished: \$125 for sterling silver and \$14 for copper.

Level: Advanced

Prerequisite: At least 2 previous chainmaille classes.

Session 1: Wednesday, June 20

6pm-9pm

Half Persian 4-1 Weave*

Instructor: Nora Olsen

\$25

Looking for a chainmaille challenge? This is the weave for you. Sinuous and sleek - also called Snake Chain - the Half Persian 4-1 chain is sure to become a favorite.

Approximate cost of each piece when finished: \$85 for sterling silver and \$11 for copper.

Level: Advanced

Prerequisite: At least 3 previous chainmaille classes.

Session 1: Thursday, July 26

6pm-9pm

Byzantine

Instructor: Nora Olsen

\$25

The most traditional and popular chainmaille weave, Byzantine lends itself to bracelets, necklaces and even earrings. Learn how to make this great fundamental chain, and get ideas for creating modern variations. Keep your bracelet sleek and simple, or dress it up with beads, crystals or charms. Byzantine is the perfect weave to start you on the path to chainmaille enlightenment. Approximate cost of finished piece: \$80 for sterling silver and \$10 for copper.

Level: Beginning

Prerequisite: None

Session 1: Wednesday, August 15

6pm-9pm

RESIN & WIRE TWINING CLASSES

Intro to ICE Resin Instructor: **Samantha Slater** \$25+\$10 materials fee

Learn to work with ICE Resin, a non-toxic jeweler's grade resin that gives you endless possibilities for your jewelry designs! Pour the resin into a bezel setting or silicone mold, or even use it over paper. You can use lots of different images and materials with ICE Resin that will be sure to get your creativity running wild!

Level: Beginning

Prerequisite: None.

Session 1: Tuesday, May 22

6pm-9pm

Session 2: Wednesday, June 20

6pm-9pm

Session 3: Tuesday, August 21

6pm-9pm

Finishing ICE Resin* Instructor: **Samantha Slater** \$25+\$5 materials fee

Now that you've learned to use ICE Resin, you're ready to finish your resin pieces like a pro. Sanding and finishing ICE Resin will give your components and pendants a beautiful, finished quality. You'll also learn about rubber stamping, layering and doming. Take your ICE Resin creations to the next level!

Level: Intermediate

Prerequisite: Intro to ICE Resin

Session 1: Wednesday, July 11

6pm-9pm

Crescent: Twined Wire Earrings

Instructor: **Marilyn Moore**

\$45+\$23 materials fee

These asymmetrical earrings will please the eye as well as teach you to twine with fine colored wires. Blending colors is also discussed. You'll go home with a pair of stunning earrings.

Level: Beginning

Prerequisite: None

Session 1: Friday, June 29

11am-5pm

Egg Basket: Oval Twined Wire Bowl

Instructor: **Marilyn Moore**

\$45+\$32 materials fee

Twining is such a satisfying and relaxing way to make a basket. Why not do it with wire? Using your own color choice, learn color blending with fine wire. This small oval basket is a beautiful way to store your favorite earrings or ring.

Level: Beginning

Prerequisite: None

Session 1: Saturday, June 30

11am-5pm

Wire Disc Pendant

Instructor: **Marilyn Moore**

\$45+\$32 materials fee

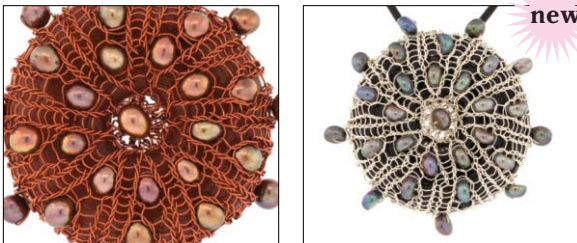

Learn Marilyn's color blending method to make this beautiful pendant as an introduction to the technique. This basket, which is made flat, is a great beginning piece. Working from prepared spokes, the class is a fun way to make a stunning piece of jewelry.

Level: Beginning

Prerequisite: None

Session 1: Saturday, July 14

11am-5pm

Sea Urchin Pendant*

Instructor: **Marilyn Moore**

\$45

Using a stone donut as an armature, wire and beads, knit and crochet this elegant pendant. This is reminiscent of a sea urchin, and pearls or beads enhance that effect.

Level: Intermediate

Prerequisite: Knowledge of simple crochet is helpful.

Session 1: Saturday, May 26

11am-5pm

Session 2: Friday, August 24

11am-5pm

Maple Leaf: Twined Wire*

Instructor: **Marilyn Moore**

\$45+\$32 materials fee

Using Marilyn's unique method of color blending using copper wire, explore the use of fine colored wires as a twining material. Your Maple Leaf will glow when the light hits it. If desired, twine in a sterling silver pin, which will turn your leaf into a brooch.

Level: Intermediate

Prerequisite: Twining experience helpful.

Session 1: Saturday, August 4

11am-5pm

WIRE & METALSMITHING CLASSES

Beginning Wire Wrapping

Instructor: Monica Street

\$25

Wire wrapping is one of the most popular techniques in jewelry making. Learn to master the perfect wire wrapped loop using wire and beads to create beautiful, contemporary earrings, bracelets and necklaces.

Level: Beginning

Prerequisite: None

Session 1: Wed., May 16

6pm-9pm **Session 4:** Mon., July 23

6pm-9pm

Session 2: Wed., June 6

6pm-9pm **Session 5:** Wed., August 1

6pm-9pm

Session 3: Sun., June 24

10am-1pm **Session 6:** Wed., August 22

6pm-9pm

Intermediate Wire - Findings*

Instructor: Cody Westfall

\$25+\$16 materials fee

In this follow-up class to beginning wire wrapping, you'll learn more advanced techniques for wirework, including how to create everyday essentials such as head pins, ear wires and clasps. This class will also tackle the intimidating side-drilled briolette. Take your wire wrapping to the next level and give it that refined, handmade look you've been searching for.

Level: Intermediate

Prerequisite: Beginning Wire Wrapping

Session 1: Wednesday, June 13

6pm-9pm

Basic Riveting

Instructor: Cody Westfall

\$25+\$12 materials fee

Get hooked on riveting – a fabulous metalworking technique. In this introductory class, you will learn two great ways to make cold connections. First you will learn how to make and use wire rivets. Then you will learn how to rivet with our riveting tool.

Level: Beginning

Prerequisite: None

Session 1: Tuesday, May 8

6pm-9pm

Session 2: Monday, July 16

6pm-9pm

Make an Impression

Instructor: Cody Westfall

\$25

Learn to stamp on metal in this beginning stamping class. We'll cover the necessary tools and materials needed for this great technique. You will learn how to use letter and design stamps to create a pendant by stamping on a metal blank. Leave class with a unique and personal piece of jewelry.

Level: Beginning

Prerequisite: None

Session 1: Thursday, May 31

6pm-9pm

Session 2: Wednesday, August 8

6pm-9pm

Dapped & Textured Jewelry

Instructor: Cody Westfall

\$25

Learn how to texture metal to create various effects with texturing hammers and other tools. You will also learn how to dome metal with dapping blocks. You will have time to complete one finished project and start on components for future projects.

Level: Beginning

Prerequisite: None

Session 1: Tuesday, July 24

6pm-9pm

Intro to Using a Jeweler's Saw

Instructor: Samantha Slater

\$25

Enter a new realm of jewelry techniques by learning how to use a jeweler's saw. Bring your own designs, or choose one of our samples to cut out of metal with a saw and create a pendant. Students will learn both sawing and piercing metal as well as finishing and filing steps to creating a smooth, eye-catching piece.

Level: Beginning

Prerequisite: None

Session 1: Wednesday, June 6

6pm-9pm

LOOK FOR NEW JEWELRY DESIGNS EVERY WEEK ON OUR INSPIRATION PAGE!

FusionBeads.com

METALSMITHING CLASSES

Riveted Rings

Instructor: Tracy Stanley

\$25

Hey, you've got 10 fingers – how about a ring for each? Learn how to make this ring using metals that are textured and riveted. It's a fun, low-tech way of making a fabulous, one-of-a-kind ring.

Level: Beginning

Prerequisite: None

Session 1: Thursday, May 17 10am-1pm

Session 2: Thursday, August 30 10am-1pm

Resins - Wire Forms

Instructor: Tracy Stanley

\$25+\$5 materials fee

Learn how to make wire forms that can be used with resin to make great one-of-a-kind charms or pendants for your jewelry. It's a fun and easy technique, whether you are new to resins or experienced and looking for a new way to use them.

Level: Beginning

Prerequisite: None

Session 1: Thursday, May 17

2pm-5pm

new

Wrap Around & Around Bracelet

Instructor: Tracy Stanley

\$45

Create this fun bracelet that wraps around and around your wrist using wire wrapping, stamping, riveting and metal texturing techniques. Then add a little flash with crystals and pearls. This bracelet can wrap once around or as many times as your heart desires! Watch out – your bracelet will be the envy of all!

Level: Beginning

Prerequisite: None

Session 1: Saturday, May 19 11am-5pm

Session 2: Thursday, August 2 11am-5pm

Coiled & Riveted Cuff*

Instructor: Tracy Stanley

\$45

Make a unique and fun riveted cuff. Learn to combine metal texturing, stamping, wire wrapping and riveting to create a cuff that makes a statement.

Level: Intermediate

Prerequisite: Beginning Wire Wrapping

Session 1: Wednesday, May 23 11am-5pm

Rivets & Clusters Bracelet

Instructor: Tracy Stanley

\$45

Texturing, stamping and riveting are all techniques we will use to create this fun bracelet. A fun cluster of pearls, crystals and gemstones will make this piece stand out. Finish your bracelet off with a handmade clasp. It's a great class for those who are new to metal/wirework and those who are more experienced and looking for a fun new project. If time allows, you can even make matching earrings!

Level: Beginning

Prerequisite: None

Session 1: Friday, June 22

11am-5pm

Have a Heart*

Instructor: Tracy Stanley

\$45

Create this beautiful and funky heart pendant with layers of wire wrapping, weaving, metal texturing and riveting – topped off with clusters of crystals, pearls and stones. This pendant is a real showstopper!

Level: Intermediate

Prerequisite: Beginning Wire Wrapping

Session 1: Tuesday, June 26

11am-5pm

RECEIVE 10% OFF YOUR PURCHASES THE DAY OF YOUR CLASS!

METALSMITHING CLASSES

Bangles with a Message

Instructor: Tracy Stanley

\$45

Make these bangles individually or as one it doesn't matter-either way, they're fun! Add your own personal message. You'll learn coiling, sawing, stamping, texturing and wire wrapping.

Level: Beginning

Prerequisite: None

Session 1: Thursday, June 28

11am-5pm

new

A Peek Into My World Bracelet

Instructor: Tracy Stanley

\$45

Make little windows that you can peek into. A trip to the hardware store can supply most of the materials you will use in this fun bracelet. We'll use metal texturing, stamping, riveting, sawing and resin to create A Peek into My World.

Level: Beginning

Prerequisite: None

Session 1: Thursday, July 19

11am-5pm

Viking Knit and Beyond

Instructor: Tracy Stanley

\$45

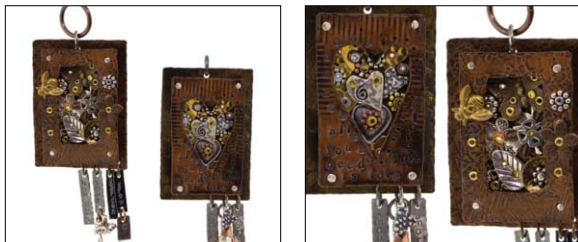

Learn the ancient technique of viking knit, and then take it steps further by learning embellishing and finishing techniques. Create a finished bracelet with embellishments and a handmade clasp.

Level: Beginning

Prerequisite: None

Session 1: Saturday, July 21

11am-5pm

Riveted Collage

Instructor: Tracy Stanley

\$45

Make a gorgeous pendant using metal texturing, stamping, sawing and riveting techniques. Each 3-D framed pendant will tell a different story.

Level: Beginning

Prerequisite: None

Session 1: Wednesday, July 25

11am-5pm

Heavy Gauge Wire Bending*

Instructor: Tracy Stanley

\$45

This class begins with a discussion of the basic tools and materials used in wire working. Then we go into the basics: jump rings, double-loop bead wrap, a flat spiral dangle and making a clasp. It's a good class for the beginner and/or the student looking to improve their skills.

Level: Intermediate

Prerequisite: Beginning Wire Wrapping

Session 1: Tuesday, July 31

11am-5pm

Resin and Metal*

Instructor: Tracy Stanley

\$45

Explore metal, riveting and resins and combine all three into a fun pendant. After exploring different low-tech methods of texturing metals, you will design your pendant piece that will include riveting and building your own bezel for resin.

Level: Intermediate

Prerequisite: Intro to ICE Resin

Session 1: Tuesday, August 28

11am-5pm

CLASS SIGN UP DAY **THURSDAY, APRIL 19 AT 10AM**

METALSMITHING CLASSES

Fierce Connections

Instructor: Janice Berkebile

\$45

Cut out a variety of forms from sheet metal. Texture each piece to tell a story. Explore the disc cutter and dapping blocks to cut and form metal. Add layer after layer of contrasting metals and, using various connections, combine the elements. This technique is great for layered earrings and pendants.

Level: Beginning

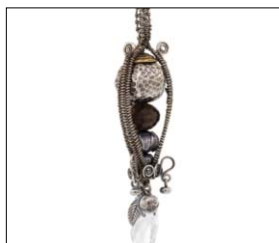

Prerequisite: None

Session 1: Friday, May 11

11am-5pm

Session 2: Friday, July 27

11am-5pm

Midnight Lanterns*

Instructor: Janice Berkebile

\$45

Embrace a focal bead with a cage of wire that has been woven to fit the bead. Stack with various caps, beads or spacers to add height and dimension. Embellish as desired to create a one-of-a-kind magical midnight lantern.

Level: Intermediate

Prerequisite: Beginning Wire Wrapping

Session 1: Friday, May 25

11am-5pm

Metal Leaves Bracelet

Instructor: Janice Berkebile

\$45

Make an S chain and clasp from wire. Cut, form and texture leaves from sheet metal. Connect the leaves and pearls using jump rings to make a fabulous leaf bracelet that has movement and color.

Level: Beginning

Prerequisite: None

Session 1: Thursday, June 14

11am-5pm

Wire Pea Pod*

Instructor: Janice Berkebile

\$45

This coiling/weave technique uses a heavier gauge wire as a frame and finer gauge wire to bind the frames together to make an organic pod shape. Add some pearls and voila – pea pods!

Level: Intermediate

Prerequisite: Beginning Wire Wrapping

Session 1: Friday, June 15

11am-5pm

Jellyfish Garden

Instructor: Janice Berkebile

\$45

Weave, dap and embellish to unfurl the mysteries of this fanciful garden. Basketweave a bail, and texture and dap the domes. Weave in beads to add color and sparkle. Connect the three tiers to create this intriguing pendant.

Level: Beginning

Prerequisite: None

Session 1: Thursday, July 12

11am-5pm

Gypsy Wire Earrings*

Instructor: Janice Berkebile

\$45

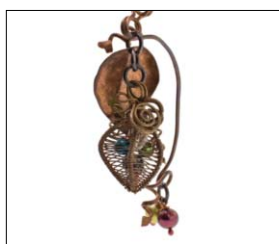

Create two styles of earrings – the Art Deco and the Art Nouveau. Both styles are created by combining various elements. The base elements are covered using a coiling technique called the gypsy wire wrap. Dangle precious gemstones from the eyes to add color and movement. Join the components with jump rings to create fabulous gypsy-style chandelier earrings.

Level: Intermediate

Prerequisite: Beginning Wire Wrapping

Session 1: Friday, July 13

11am-5pm

Fruit of the Vine

Instructor: Janice Berkebile

\$45

Using basic low-tech repoussé and chasing techniques, move metal to create three-dimensional leaves. Add a few pods made using basketweave and stuffed with your favorite gems and pearls. Cascade the leaves and pods down an artful vine for an unforgettable pendant.

Level: Beginning

Prerequisite: None

Session 1: Friday, August 3

11am-5pm

MIXED MEDIA CLASSES

new

Chemical-Free Etching Instructor: Juli Martin \$25+\$10 materials fee

Learn how to etch beautiful images onto copper – without the hazardous waste of traditional methods. Science fair meets jewelry adventure in what is sure to become a favorite technique for modifying metal. Learn to build a compact etching system using repurposed household goods as well as several different techniques of resist and image transfer. We will also learn how to create more detailed and textural images using multi-layer etches and patina techniques.

Level: Beginning

Prerequisite: None

Session 1: Wednesday, May 30 6pm-9pm

Session 2: Monday, August 6 6pm-9pm

new

Trapped Rings

Instructor: Juli Martin

\$25

Capture beads, cabochons, rough stones, sea glass, old coins and more with this versatile technique. Learn the basics of what kinds of shapes work and what don't, as well as different prong shapes and designs. Mix metal and textures to create gorgeous rings out of ordinary (and extraordinary) objects.

Level: Beginning

Prerequisite: None

Session 1: Wednesday, June 27 6pm-9pm

Metal Garden*

Instructor: Melissa Cable

\$45

Learn to make metal flowers using metal shears...no jeweler's saw needed! Students will receive patterns for three flowers and choose their own project. As part of creating the flowers you'll learn to cut, file, texture, stamp and rivet metal while exploring different ways to incorporate these flowers into your other metal or mixed media designs.

Level: Intermediate

Prerequisite: Beginning Wire Wrapping

Session 1: Sunday, May 20 11am-5pm

Striptease

Instructor: Melissa Cable

\$25

Learn to create fun cuffs and beads using Faux Bone™ strips. These are great as a base for your other metal work or for displaying pre-made components by attaching them with rivets, screws or other cold connections.

Level: Beginning

Prerequisite: None

Session 1: Wednesday, August 22 6pm-9pm

Etched Copper Cuff

Instructor: Melissa Cable

\$45

Walk out of this class with a finished cuff. Learn how to set up your own etching tank inexpensively, and make a Faux Bone™ tool you'll use again and again. Incorporate Faux Bone™ into your metal work, giving you added flexibility and functionality with the ability to add color if desired.

Level: Beginning

Prerequisite: None

Session 1: Wednesday, August 29 11am-5pm

Fresh as a Daisy Necklace

Instructor: Sara Molina

\$25

You'll feel fresh as a daisy in this floral statement necklace! Learn how to make flower pendants using wire and briolette beads that can be embellished in many different ways. Use glass beads, gemstones or crystals to make your wire wrapped flowers sparkle, and your creativity will be sure to blossom!

Level: Beginning

Prerequisite: None

Session 1: Tuesday, July 17 6pm-9pm

new

Clay & Crystal Creations

Instructor: Sara Molina

\$25

Learn how to use the hugely popular DeCoRe Clay and Crystal Clay products to create amazing jewelry studded with crystal fancy stones or anything else your heart desires – metal, wood, glass and more! This class is all about using just a few materials to create fun, bold and sparkly pieces to incorporate into your jewelry designs.
