

## Hands – Count Von Count, Sesame Street

**Listen and sing:**

Your hands can do so many, many things  
Your hands can;  
Brush your teeth and comb your hair  
Throw a ball into the air  
Wave hello, wave goodbye  
Even make a pizza pie  
So many things your hands can do.

**Now, you try. Rewrite the lyrics.**

Your hands can do so many, many things
