## PART B- What do you think?

Use the questions below to talk about the film

1. Think about the first time you ever looked at your spouse and realized s/he was special or that s/he might be “the one.” Take a few minutes to talk about this memory and how you felt about one another when you first connected.
2. In the film, a sense of fate draws the couple together. Did you ever feel that way during your courtship? Did you ever sense God moving you toward each other, perhaps even despite difficult circumstances? List a few ways you knew from the beginning that you were better together.
3. The man in the film ultimately prioritizes finding his mystery woman over the responsibilities of his job, sacrificing much so that they can find one another. What sacrifices have you both made to be together, to be a family, and how has God blessed this?

## PART C- Now let's have some fun!

Supplies needed: 2 sheets of paper

Activity: Fold paper airplanes. Instructions available here- <https://www.youtube.com/watch?v=veyZNYurlwU>

Find an open space and see whose airplane can fly the farthest! Get as creative as you'd like with the challenge of this. Create obstacles to fly through, rules, time limits- whatever you'd like to amp up the fun! Shoot some video to laugh about later!

## PART D- Share the love...

Using your own lips with some bright lipstick, place a lips imprint somewhere creative/fun/ memorable and take a photo of you and your spouse to help remember the fun you shared tonight. The lips imprint can be on the airplane, on your spouse, or anywhere you choose!
