LAW 12 — MEETING 12

The Law of Curiosity

Growth Is Stimulated By Asking Why?

I. Where Does Curiosity Come From?

II. How To Cultivate Curiosity

A. Believe you can be curious

B. Have a beginner’s mindset

C. Make WHY your favorite word

D. Spend time with other curious people

E. Learn something new every day

F. Partake in the fruit of failure

G. Stop looking for THE right answer
   1. Instead of saying, “If it ain’t broke, don’t fix it, ask these questions:
      a. If it ain’t broke, how can do it better?
      b. If it ain’t broke, what is likely to break in the future?
The 15 Invaluable Laws of Growth

H. Get over yourself

I. Get out of ______ the box

J. Enjoy your life

III. Curiosity: The Key To Growth

A. While we can be happy with answers and milestones, we must never stop ______ asking questions

B. Put ______ no limits ______ on your curiosity
OVERCOME GROWING PAINS
(Specific Steps to Amazing Growth)

Ask these questions of yourself:

1. Do you believe you can be curious?
2. Do you have a beginner’s mindset?
3. Have you made WHY your favorite word?
4. Do you spend time with curious people?
5. Do you learn something new every day?
6. Do you partake in the fruit of failure?
7. Have you stopped looking for THE right answer?
8. Have you gotten over yourself?
9. Do you get out of the box?
10. Are you enjoying your life?
