RESET

A STARTLING GROUNDSWELL, A STREET-LEVEL FREEDOM FIGHTER, A CONTROVERSIAL REBEL: JESUS.

5 BCE

Let's hit the reset button, or begin for the first time to discover our own beliefs about the most influential person in history.

Let's unclutter our assumptions of Jesus and push through the stained-glass sound bytes and pop-spirituality roundabouts.

Let's meet—or re-meet—the God who got dirty with the world.

The man people ran to, and ran from. The man who captained boats, ate meals with crooks and call girls, threw hillside parties, made kings panic. The man who brought the world an outlandish message and then said, "Follow me."
