

## Dental Continuing Education Catalog

Please indicate in the columns to the far right how many and what format you wish to receive your CE course in. Then fax ALL PAGES of this document back to My CPR Pros at 704.631.4841. Shortly thereafter you will be contacted by a Member Services representative who will verify your order and process payment.

**Textbook & Paper Exam** – This is a textbook that will be mailed to you. After reading the textbook and completing the exam you mail the exam in for grading.

**Additional Paper Exams** – Additional paper exams can be ordered if multiple students will be using the same textbook, but each want to take the exam for CE credit. (See the **Sample Course** example below.)

**E-book w/ Online Exam** – This option provides the textbook in a downloadable PDF document. The exam is then taken online.
