*As promised, here are the rest of the examples from the lesson...*

### From our client:

1. I am able to see who people really are deep down and celebrate the best parts of them.
2. I am warm and friendly and can talk to anyone. I have been known to have long, intimate conversations with total strangers and make friends easily.
3. I have very full, gorgeously coral lips.
4. I am cuddly and soft, curvy and well-padded, and I love to snuggle, hug and touch.
5. I am whimsical and romantic. I will dream up surprises for a loved one, see fairy circles in the mushrooms on the lawn, and adore dressing up in a costumeey fashion.

## More from our client:

6. I can admit when I am wrong. I also can admit to ignorance. I do not need to 'score points' at the expense of another.
7. I will tell you what I see about you that is positive. I have been told by a good friend that no one who knows me is unaware that I like and appreciate him/her.
8. My Love Languages are Physical Touch and Words of Appreciation, and while I need to be held and petted and complimented, I will also eagerly return them.
9. I am wacky. I love things that are kooky, tacky and brightly colored. (Current love: Gangnam Style video.) I love things with a sense of humor and style. And I act silly at times.
10. I love lingerie. Corsets, hose, bras, nightgowns, silks, satins, cotton lawn, it's all wonderful. I have a dream of going to Paris and purchasing a whole wardrobe of custom-made, beautiful lingerie.
11. I am dramatic. I love to dress dramatically, I gesture, and I speak theatrically. I do try to keep the Drama Queen antics to a minimum, however.
12. I love fine and decorative arts. I know the difference between baroque and rococo, Caravaggio and Titan, Second Empire and Queen Anne, Ionic and Doric, and Man Ray and Mapplethorpe. But I don't like abstract art.
13. I am flamboyant. I don't match my accessories to my clothes. I will wear a red Izod shirt with matching ruby chandelier earrings. I wear black with bright colors. My bedroom is Raspberry and Green Apple with Arctic White trim. I despise beige, tasteless food and pop music.
14. I love gadgets. I like to use computers, smart phones, laptops, MP3 players, and other techy toys.
15. I am imaginative. I am able to come up with ideas and love to think of new and innovative ways to accomplish something. Including making a lover smile through presents, surprises and lovemaking.

## From Emily:

1. I dance in my kitchen. Sometimes I'm really good. Sometimes I look like someone doing the chicken dance, alone, in my kitchen. To Snoop Dogg.
2. I've lived on four continents.
3. The next place I want to visit is Iceland in the spring/summer.
4. I love to read and my to-read list is a large .doc file which is updated semi-regularly.
5. I'm close with my family. They make bad puns, but an excellent support system.
6. I was a teacher for 7 years and had the most incredible students, ever. I loved my students as though they were my own.
7. I agreed to be teacher supervisor for the first ever Dungeons and Dragons club at my school. I learned to play. And I liked it.
8. British comedies, Mike Meyers in So I Married an Axe Murderer and the original Le Diner de Cons make me laugh.
9. I eat a lot of broccoli. I do not like brussel sprouts.
10. I secretly want to be a character actress.
11. I like secret passageways, hidden paths, mazes, and anything that makes me feel like a kid.
