

Utah

Lead Agency: Utah State Office of Education

Project Leadership Partners (secondary/postsecondary/industry/labor):

- Utah State Office of Education
- Utah System of Higher Education

RPOS Cluster and Pathway(s): Health Sciences

- Therapeutic Services
- Biotechnology Research and Development

Participating Sites:

- Rural: San Juan School District, Blanding and Utah State University – College of Eastern Utah, Price
- Suburban: Weber School District, Weber County (Ogden area) and Weber State University, Ogden
- Urban: Salt Lake City School District, Salt Lake City and Salt Lake Community College, Salt Lake County

2011-2012 Project Goals:

- Continued improvement of program and course alignment from secondary to postsecondary education
- Provide RPOS related professional development for partners and other stakeholders
- Increase the awareness of the RPOS model with policy makers and the business community
- Improve data collection methods with LEAs

Changes/Influences to the State's RPOS policy or practice as a result of Year 1:

- Expanded vision of RPOS with grant partners and CTE community
- RPOS seen as a viable model for student college and career readiness
