

Meaningful Discussions among Secondary and Postsecondary Colleagues

Purpose

The purpose of these discussions is for OVAE to hear from the field. Please share what you are doing and what you are learning. Please focus on lessons learned.

Task

From your secondary or postsecondary perspective, please discuss these points at your table:

1. What success have you had in year one of the Rigorous Programs of Study grant award? What's working? What's new and interesting?

2. What challenges have you had in year one of the Rigorous Programs of Study grant award? What's not working?

3. What are your plans for year two? What challenges do you foresee?

Please select people to play three roles: facilitator (a civil servant), recorder, and reporter (someone from the field) to make a short, informal report of your discussion outcomes to the rest of the group.
