Curriculum

The Common Core State Standards for Kindergarten and the Georgia Pre-K and Early Learning Standards are the curriculum foundation. The Standards provide developmental as well as academic emphasis. *Guiding Kinders Curriculum., Letters Alive, Handwriting Without Tears and Wee Learn* are primary resources. Implementation is through thematic units in age appropriate learning centers and both small and large group activities. Teachers regularly evaluate progress and design classroom work in units within these parameters integrating teaching for children on all levels. Christian principles, Bible stories and scripture verses are taught in correlation with unit topics. Our goal is to provide a learning environment in which children can grow academically, emotionally, physically, spiritually, and socially.....an atmosphere to grow as Jesus grew....

“And Jesus increased in wisdom and stature and in favor with God and man.”
 Luke 2:52
