

## **Inscape MFR Update (February 2019)**

### **Library Listing**

#### **MFR & CAT Codes**

#### **IPS – Inscape**

IBE – Inscape Bench

ISY – Inscape System

IVL – Inscape Veil

ITA – Nuform Tables

IER – Inscape Ergonomics

IWN – Wing

IRK - RockIt

IST - Seating

### **Update Summary**

- Introduced new tables, TMREC, as well as a cable manager, TWCM (ITA).
- Added missing COM fabric option for INBAPF products in Bench (IBE).
- Corrected symbols for RKTBMPSxx by removing center bracket (IRK).
- Removed selected 7900 Series storage, as per product discontinuations by Marketing (IBE, ISY).
- Revised feature description for INBSHEG4248 & 60 to Leg Finish (b) (IBE).
- Revised feature description for INxFRMLEGxx28.5 and INRECPLEG-28.5 to Leg Finish (b) (ISY).
- Revised feature description for various whiteboard products from Tile Finish to Tile Fin (IBE, ISY).
- Corrected symbols for INBTPB personal box to use different layers for case and laminate top and bottom. Also removed incorrect plywood edge option (ISY).
- Corrected option structure for RKECFK-8 RockIt ceiling feed and descriptions (IRK).
- Corrected price decreases for some storage products that were introduced in January. These were entered as current pricing, but were actually earlier 2018 pricing, not 2018.12 (ISY).
- Corrected various prices introduced at the time of the price increase (IBE, ISY).

***\*Next update is scheduled for March 2019***

### **Symbol Updates**

- Be sure to update your libraries once a month using the recommended means of updating manufacturer's libraries.
- Have something to report? Please email details to [taug@inscapesolutions.com](mailto:taug@inscapesolutions.com).
