<p>DYSON HEPPELL ESS \$450,000 mid</p> <p>Really impressed me with his midfield work in NAB round 1. Fitting the profile of a break out player entering his third year, 43 games and 20 years old. In my team at the minute</p>	<p>JACK WATTS MEL \$460,100</p> <p>Progressive build up in annual average (26, 54, 75, 86) and looking to have taken a significant leap towards maturity this season. I bloody like this kid.</p>	<p>GREG BROUGHTON GCS \$441,900 fwd</p> <p>BURNT many of us in 2012 but looks a bloody fair option at a new team in 2013 away from Ross Lyon. Rarely sighted in NAB Rd 1 so watch closely this round. Also FWD</p>	<p>SHAUN ATLEY NTH \$380,400</p> <p>North young gun ready to break out in his 3rd year. Now available as a defender.. Like him kids. Really like him. Looked excellent in the midfield NAB 1 for the Roos</p>	<p>BEN JACOBS NTH \$309,200</p> <p>Port were dead set spewing to lose this bloke. 3rd season of AFL, is fit this season and could be one to watch very closely in the NAB Cup. Coach Scott was bloody happy with him after NAB 1.</p>	<p>JORDAN RUSSELL COLL 240,000</p> <p>Comes over to join Nathan Buckley at Collingwood. Impressing them on the track.. I'm sceptical about his ability at this level. Can't get a game at Carlton??? Not for me till he shows me a bit.</p>	<p>NATHAN BOCK GCS \$297,400 fwd</p> <p>Busted his leg early last season. Proven Supercoach scorer but can he come back up in his 30th year? Injury trouble again.. Will miss the start of season.. no</p>
<p>BRENT MOLONEY BRL \$362,400</p> <p>Just didn't dance to Neeld's tune. Simple as that. Racked up hard ball at will in NAB 1. Very hard to go past Brent at this price.. Watch for another similar performance in pre season then lock him in</p>	<p>NATHAN FYFE BRL \$498,000</p> <p>Only just squeezing into the mid price category at less than \$500K. Sparkling this pre season and dominated scratch match v Adelaide last week. You all know I'm a conservative old bastard.. Still an injury risk.</p>	<p>DAVID MUNDY FRE \$477,000</p> <p>Back in form in 2012 after a busted leg in 2011. Durable despite break.. Could return to avg 110+. Downgrade to code ORANGE after injury scare at training.. Watch. *also watch CLANCEE PEARCE</p>	<p>KOBY STEVENS WBD \$176,600</p> <p>Talented young kid who will get game time at the Dogs after moving from the talent drenched West Coast. Could play every game if fit. Keen to watch him this round</p>	<p>ANDREW EMBLEY WCE \$284,000</p> <p>Turns 32 in 2013 after injury ravaged in 2012. Big vest and injury risk here.. Caution. Remember your midfield positions are ROLLED GOLD. Injury could really stuff your season</p>	<p>LUKE PARKER SYD \$378,000</p> <p>Vest trouble in 2012 but should step up in 2013 to join the midfield group. A sneaky POD that could pay dividends. Was best for Sydney V GWS in NAB round 1.. Watching him very closely</p>	<p>LUKE BALL COLL \$302,000</p> <p>Back after a knee reco.. Not sure where he'll fit in a packed Pie midfield and must be an injury risk. Not for me.</p>
<p>LEUENBERGER BRL \$301,100</p> <p>Named in the NAB cup for round 2! Scored 100+ for his last 9 games in 2011 averaging 122. Injured most of 2012 but back on the track.. Lock if fit</p>	<p>NATHAN VARDY GEEL \$239,700</p> <p>They love this bloke at the Cattery.. And with H MAC now injured he could emerge as the #1 Cat ruckman by years end. Could he pass Leuenberger as the #1 mid price ruck pick??</p>	<p>JOSH JENKINS ADEL \$363,300 fwd</p> <p>Looked effective in NAB 1 and on plenty of radars. Lots to like about Josh. No Tippet opens a door.. But Shaun McKernan and Angus Graham competing for his spot?</p>	<p>TOM HICKEY MIGHTY STK FC \$308,200</p> <p>Beat Ben McEvoy in Saints intra club then had ruck duties in one of the two Saints NAB round 1 clashes. Talented kid but prefer Leuenberger or Vardy before him</p>	<p>GUNS AND ROOKIES</p> <p>I just reckon that we have too many quality premium and rookie options to consider many more mid priced ruck options in 2013 for mine kids.... Got any in mind?</p>		
<p>TRAVIS VARCOE GEEL 268,900 mid</p> <p>One hell of a footballer and being trialled in the Yarran type half back running role in preseason. Lock if fit folks. MID as well. Looked good rd 1.. Needs to get through un injured</p>	<p>DUSTIN MARTIN RICH 473,500 mid</p> <p>Righto Dusty you've earned a gig in the cheat sheet in this revision mate but I am watching your attitude closely mate.. You'll be anything you want to be in this great game of ours</p>	<p>ARRYN SIPOSS MIGHTY STK FC \$316,600</p> <p>Not such a smokey any more with the cat well and truly out of the bag. To slot into Goddard/Gram's role.. Skilled.. Talented... was very good NAB 1. Likely starter in my team</p>	<p>SHANNON BYRNES MELB \$230,100</p> <p>Wanted to see him do more in NAB 1 but he is an older fella. Mix of injury and opportunity restricted him at Geelong.. I rate this bloke very bloody highly. Still 28. Will play if fit.</p>	<p>MARK LeCRAS WCE \$369,200</p> <p>Snapped his ACL last pre season just as he looked set to dominate. Real value here after a solid preseason. Would snap him up at 70K cheaper but not sure enough at this price.</p>	<p>ANGUS MONFRIES PTA \$356,700 mid</p> <p>Old mate Ken Hinkley suggests that Gus will spend more time in the midfield this year after crossing from Essesndon. Was tops in NAB 1 but has strained his hammy. Line through him for me</p>	<p>CHRIS KNIGHTS RICH \$248,300</p> <p>Talk of a fall out with the Crows where he had slip opportunity. A cross to Tigerland should see more game time... not convinced.</p>
