Bring on the singletrack! This course will test any racers fitness and technical skills. Course follows a fast prologue of the “Dam Connector” to “Beaver Creek” trail, which will freshen up the legs and give an idea of the insanity to come. Racers will then follow “Jump Trail” to “VooDoo Rocks” to “Crack Trail”. From here, Men A’s / B’s and Women A’s will continue on, while Men C’s / Women B’s will take the “Dam Connector” to the finish.

Men B / Women A: “Race loop” to “Cannonade Short Cut” back to the “Race Loop” to “Little Canaan” and will finish on “Roadside Trail”.

Men A: Same as above, but will branch off to include the “Short n Sweet” offshoot and the “Pine Spur” loop, which features slow technical rock gardens and a short switchback climb.
