GROUP TIPS

MOVIES:

- Movies will start promptly on the hour. Due to other groups, we are not able to hold moves or allow groups in to see later showings.
- Arrive 10 minutes early so we have time to seat everyone.
- Bus loop is located in Slammer & Squire parking lot.
(See Site Map for details)
- Students, teachers and chaperones must be included in final payment.
- Individual payment will not be taken the day of film.

LUNCHES:

If bringing your own lunches:

- These can be stored in the IMAX theater to the left when you enter lobby. They may not be taken into the theater at any point. After the film, there are picnic tables behind the Museum on either side near the bus loop drop. This is the only designated space to eat group lunches. It is large enough to accommodate all of our group sizes.

If ordering lunches:

- Create name tags for school lunches with their food selection on it.
- Individual order will not be available the day of film.
- Lunches will be service in Museum breezeway near the picnic tables (by bus loop) where group may eat their lunches.
