

## Getting Started Free Edition

---

Learn about Web applications and how you can get Free Software to help you build your skills.

Visit the website below to get started and you should see this.

The image shows a screenshot of a web application interface. On the left, there is a 'Tools' sidebar with various icons for navigation and editing. The main content area is a large white rectangle with a mouse cursor pointing at it. Overlaid on the right side is a dark banner with white text that reads 'Install the revWeb plugin: a better website experience'. Below this text is a blue button with white text that says 'Click here to Install'. To the right of the button, it says 'Small Download, 20 second Install'. At the bottom of the banner, there is a dark red bar with white text that says 'See how to create simple web applications in revMedia.' and a yellow play button icon followed by the text 'Install the plugin now'.

To get started you need to download and install the plugin, which works for most browsers, Safari, Internet explorer, and Firefox.
