YOUR GIFT HELPS GROW FAITH AND KNOWLEDGE

Alexis Bazydola of Lebanon, Tennessee, credits her family and church with giving her a solid faith foundation to build on as she navigates college.

“My life always consisted of a strong church presence. My mom and dad always ended up being my Sunday school teachers or (vacation Bible school) leaders, which helped me to grow closer to them.”

Bazydola also formed lasting bonds with fellow members of Lebanon First United Methodist Church and through her work with the Tennessee Annual Conference.

“I think the biggest joy I had in my life was when I came to be more involved in the conference. The friendships I had shaped me as an individual and they continue to help me to become a better person. They challenge me on my faith walk with God (and) help me to see the world from so many different perspectives. The church has given me a home and a family for so many years and continues to do so even now that I am in college,” she says.

A student at the University of Connecticut, Bazydola hopes to work for the National Hockey League after graduation. She says the Gift of Hope scholarship she received allowed her to attend college without worrying about finances. She encourages churches to continue to give generously on United Methodist Student Day to lift up students on their educational and faith journeys.

“I would be nowhere without my amazing God. I want to continue serving my church and help the youth of future generations navigate life and become leaders just like those in the church helped me to become.”
