10 Books for Native American Ministries Sunday

Books for individuals, small groups and families to read in preparation for this Special Sunday
Did you know that within the United Methodist denomination there are 157 Native American congregations and over 32,000 Native American individuals? With many languages and cultures, Native Americans honor Jesus and live as Christians in churches led by a rotation of pastors, most of whom are themselves Native American.

On Native American Ministries Sunday, we seek to celebrate and embolden Native American congregations and worshippers. Every year, we set aside this Sunday to give generously to Native American ministries and scholarships. It’s one way we recognize the unique value and contributions of this community.

We celebrate in commitment to racial reconciliation, in dedication to creating programs that enrich and educate, and we celebrate because we believe in taking care of our family. There was a great multitude that no one could count, from every nation, from all tribes and peoples and languages, standing before the throne and before the Lamb, robed in white, with palm branches in their hands. Revelation 7:9 (NRSV)

As you prepare to celebrate Native American Ministries Sunday, take some time with your family, leadership team, or individually, and read through one of the books we’ve handpicked for you. We’ve even included a couple of books for your children!

Together, we do more!
