

JUST THE FACTS

World Communion Sunday

What is it?

On World Communion Sunday, we celebrate our inclusivity and diversity!

When is it?

World Communion Sunday is the first Sunday in October.

Why do we do it?

The World Communion Sunday offering provides college scholarships for racial and ethnic minority students across the U.S. and worldwide. Our gifts empower the leaders of tomorrow.

How does it work?

World Communion Sunday is celebrated in tandem with churches all over the world. Together, we partake of communion. Churches may choose to celebrate the different customs from around the world by presenting the body of Christ in a way that represents a different custom from their own.

Together, in communion and offering, through different traditions and customs, we remember the Lord's Supper. It is a celebration of what Jesus has done, and continues to do, for each one of us.

Who can celebrate it?

Every Christian church and denomination that promotes Christian unity and ecumenical cooperation.

On World Communion Sunday, churches may showcase or sing the hymns of their brothers and sisters from another part of the globe.

We do this to open our eyes and hearts to the breadth and depth of the Christian family and tradition. We celebrate with different customs so that we understand the worldwide nature of Christianity.
