Week 1 – Identifying the Gifts of The Holy Spirit

- In its characteristic usage charisma denotes an extraordinary ability that is bestowed upon a human being by the infinite strength and power of the Third Person of the Trinity, Who is called the Holy Ghost
- The gifts of the Spirit are the weapons God gives us to fight and win our battles. We must never underestimate their strength their power and their usefulness; but we must study them deeply and continuously until they freely function through us. The operation of the gifts today is the hope of the Church. They are absolutely necessary to God's plan for the world.

Week 1 – Identifying the Gifts of The Holy Spirit

- Perhaps the greatest thing about the gifts of the Spirit are the two foundation stones on which they are laid; unity and love. If the gifts of the Spirit are to function in any person or body of believers, these two elements must be present.

- The Word of Wisdom – It's a supernatural revelation of God's Divine purposes. It gives forth a small segment of information about future things.
- The Word of Knowledge – Supernatural revelation of God's knowledge about something which exist now or did exist on the earth. It is a small fragment of God's knowledge
- The Discerning of Spirits – A gift of the Holy Spirit by which the possessor is enabled to see into the spirit world. - The Gift of the Working of Miracles – Miracles are miracles to men not to God; He's omnipotent! It is the supernatural intervention of God in the ordinary course of nature. God entrust us with a strength or energy that we don't normally have. In the gift of Faith God works for us, in the gift of the working of miracles God works through us.

It's supernatural verbalization of a unknown language; human or spiritual.
