PHYSICAL EDUCATION TEACHER

Achievement House Cyber Charter School, headquartered in Exton, PA is seeking a Physical Education teacher. The Physical Education teacher position is a full-time, salaried, ten-month position. Health & Physical Education certification is required. Additional certifications are a definite plus.

The candidate for this teaching position may be stationed in either our Exton (Chester County) or Oakmont (Pittsburgh) location.

Teaching responsibilities will include designing PA standards-aligned Physical Education & Health lessons and assessments for use in the Cyber environment; teaching and recording live lessons using an online classroom; grading lesson submissions according to AHCCS protocol and maintaining records in an online grade book; communicating course expectations, class times, and upcoming events to students and parents using e-mail, instant messaging, and course announcements.

We are looking for a teacher to teach students to make informed decisions regarding health, safety and physical education that will assist them both now and in the future. Instruction takes place through live on-line virtual classrooms, one-on-one help sessions, as well planned lessons that allows students to participate and complete at the their own pace. Qualified candidates must believe that all students have the ability to learn, contain a skill set to help every student be a successful learner, and be committed to continuous learning. They should also be able to create fun and stimulating class projects.

A PA teaching certification in Health & Physical Education is required. Additional certifications are a plus, with certifications in Special Education and Math particularly beneficial. A strong background in technology is helpful. Prior experience in a cyber setting is a plus but not required. FBI and background clearances required. Passing a TB test and medical exam also required.

Applicants should forward their resume to: bworn@achievementcharter.com.
