Newsletter – February 2023

Happy February DG Sisters!

As we are in the month of **love**, we would like to extend a sincere thank you to every BAC sister who continues to show their love to Delta Gamma through acts of service, holding one another to the high expectations of this sisterhood, and living in the pursuit of doing good.

As articulated in Article II of our Constitution, the objects of this fraternity shall be to foster high ideals of friendship among women, to promote their educational and cultural interests, to create a true sense of social responsibility and develop in them the best qualities of character.

Every day we see that our members are continuing to live and abide by Article II of our Constitution and it is so heart warming.

With Love & ITB,

BAC board
