Wow! It's Time to Celebrate!

2019 Award for Outstanding Alumnae Programming!

2020 Outstanding Alumnae Officer – Region 8 – Helen Thies

Newport-South Coast Delta Gamma alumnae chapter received the Outstanding Alumnae Programming Award for Division II. Considering the number of alumnae chapters in the United States and the exceptional women in them, this is no small thing. Plus, our President, Helen Thies received the Outstanding Alumnae Officer award!

We are so thankful for our amazing President, Helen Thies and our v.p. Programming, Audrey Myer, for their innovative thinking, long hours of planning and hard work. They are always gracious, even under pressure, and make it all look so easy.

Thank you also to our unbelievably dedicated and hard working SIG chairpersons for 2019-2020 who brought our interests to life. Sandy Wood and Charley Baker for our incredible multi-dimensional "Book Club" (and for being our art instructors), Linda Bergstrom for our always delicious and heartwarming "Breakfast Club", Patty Wayte for the engaging "Ladies Who Do Lunch", Lynn Johsz for our refreshing "DGs Out and About" escapades, Nancy Ortega and Audrey Myer for our fun "Anchor Adventures" and for the collective brave women who agreed to "Just Breathe" together. This would also not have happened without you - each of you.

Thank you NSC chapter members for inspiring, supporting, helping with and actively participating in the programs. Thank you everyone for making the effort to go to a virtual platform and learning the technology needed to stay together. No doubt - we are "Stronger Together".
