Winter Newsletter 2018**

## **Hello Parents!**

The spring semester has started out with a bang here at Colorado School of Mines! The first weekend back from school, our executive council flew all the way to Dallas, TX for the Regional Leadership Conference. They spent three days there learning about Sigma Kappa and growing closer as an exec. Soon after that, we hosted our annual bone marrow registry drive, put on by McKinlee Neubauer, our lovely Vice President of Philanthropic Service (pictured right). This year we registered 163 people through DKMS. At our first formal meeting, we finished installing officers and we voted on several Code of Conduct changes. Soon after that, we had a visit from the lovely Sigma Kappa Learning Consultant, Emma Walls! We showed her a real Zeta Pi welcome and took her all over Golden.

To finish off the whirlwind of a first month back, our annual Galentines Day celebration will be February 10<sup>th</sup> and spring Career Fair will be February 13<sup>th</sup>, with over 250 companies in attendance!

## Sisters Abroad!

This semester we have three sisters studying abroad:

Alex Pollock is a sophomore in Computer Science and is studying in Budapest!

Sam Leshikar is a junior in Petroleum Engineering and is studying in Germany!

Meg Graf is a junior in Chemical Engineering and has been studying in Spain for the past year!

### A brief introduction...

Hello! My name is Summer Camerlo and I am your new Vice President of Alumnae Relations! I am a sophomore in Metallurgical and Materials Engineering and I am from Colorado Springs, CO. I am so excited to start this position! If you have any questions, comments, concerns, just want to say hi, please don't hesitate to contact me!

## Upcoming Events

- February 13<sup>th</sup>- Career Day!
- February 24<sup>th</sup>- Sisterhood Retreat
- March 10<sup>th</sup>-Iron Chef at the Zeta Pi House
- April 7<sup>th</sup>-Formal

### Sisterhood Shout-out!

Jackie Pierce was our first Sister of the Week. She is a sophomore in Mechanical Engineering, plays on the club lacrosse team, and is on the Formula 1 team! She is the sweetest person ever and is always there to lend a helping hand.
